When Is Danielle Steel Releasing A New :

The Age of Melodramatic Miniseries Scott Humphries, 2023-03-24 Glamour power champagne breakfasts in satin sheets welcome to television's most dazzling and overlooked genre women-centric melodrama miniseries of the 1980s and 1990s. Decades before *Real Housewives* rags to riches fantasies depicting strong women overcoming tragedy to take charge of their destinies were a big hit with TV audiences. Reflecting the greed is good ethos of the day and encoded with feminist messaging, these glitzy often camp stories depicted statuesque superwomen facing off with square-jawed men in boardrooms and bedrooms. This book explores the shows that epitomized the prime-time soap era and gave us such memorable scenes as Stefanie Powers trading lovers with her twin sister Joan Collins fighting Nazis in haute couture and Phoebe Cates demanding "Which one of you bitches is my mother?"

The Lives of Danielle Steel Vickie L. Bane, Lorenzo Benet, 1995-08-15 Dressed to the nines and draped with diamonds, Danielle Steel is America's favorite author. She has enchanted readers with each of her 44 bestselling novels and has a total of 350 million books in print. Now this stunning uncensored biography reveals how closely Danielle's fiction is based on real life: the rich men, the dangerous men, the heartbreak, the struggles, the triumphs, and the secrets too dark to tell. Read all about her cruel, lonely childhood, which became the inspiration for her novel *Loving Her*; her long hidden marriage to a convicted rapist, the scandalous real story readers will recognize in her novel *Now and Forever*; her third husband, a handsome heroin addict who, like the protagonist of *Remembrance*, broke her heart and nearly ruined her life; her lavish spending and opulent lifestyle in a San Francisco mansion; the tragic death of her nineteen-year-old son in 1997; the break-up of her fourth marriage and the new man in Danielle Steel's life. With eight pages of photos.
