When Love Gets Tough The Nursing Home Decision:

When Love Gets Tough Doug Manning, 2006-01-01 Lifting Up the Senior Spirit Janet Mitchell Hisbon, 2012-06 The crocus flower bulb has special meaning for the design cover It was selected because it is symbolic of the act of lifting the Senior Spirit from the emotional dark cold winter season of an older adult's mundane and dull life to give birth to change and the springtime of a new way of life These beautiful blossoms breaking through the snow and ice represent the inner struggle that one encounters to bloom where they are planted What is happening to them is not mere happenstance something larger than them are at work within them Someone wiser than they are has a word to speak and that word is Yes to God's will and His way in their new life It is also a reminder of the death and resurrection of Jesus from the dark tomb to the newness of life Jesus rose that we may have life and that we may have it more abundantly So it is with Older Adults they rise to a better quality of life and at the same time preserve their dignity The Complete Guide to Alzheimer's-proofing Your Home Mark L. Warner, 2000 Shows how to create a home environment that helps cope with the difficulties associated with AD and related dementia The author deals with both interior and exterior spaces discussing problems and solutions associated with specific areas such as the kitchen bathroom corridors patios and decks Separate chapters focus on issues related to AD such as wandering incontinence and access limitation **Resident Assessment** United States.
