Where Have You Been Selected Essays:

Where Have You Been? Michael Hofmann, 2025-09-23 An adventure with a roving genius of literary criticism Michael Hofmann poet translator and intellectual vagabond has established himself as one of the keenest critics of contemporary literature Safely nestled between the covers of *Where Have You Been* he offers a hand to guide us and an encouraging whisper in our ear leading us on a trip through what to read how to think and why to like And while these essays bear sharp insights that will help us revisit writers with a fresh eye they are also a story of love between a reader and his treasured books In the thirty essays collected here Hofmann brings his signature wit and sustained critical mastery to a poetic penetrating and candid discussion of the writers and artists of the last hundred years Here are the indispensable poets without which contemporary poetry would be unimaginable Elizabeth Bishop the poets poets poet the ghostly skill of Robert Lowell and the man he calls the greatest English poet since Shakespeare Ted Hughes But he also illumines the despair of John Berryman and the antics of poetry's bogeyman Frederick Seidel In essays on art that are themselves works of art Hofmann's agile and brilliant mind explores a panoply of subjects from the mastery of translation to the best day job for a poet What these diverse gems share are the critic's insatiable curiosity and great charm *Where Have You Been* is an unmissable journey with literature's most irresistible flaneur

Selected Essays Oliver Goldsmith, 1910 *Obiter Dicta* Erick Verran, 2021 Stitched together over five years of journaling *Obiter Dicta* is a commonplace book of freewheeling explorations representing the transcription of a dozen notebooks since painstakingly reimaged for publication Organized after Theodor Adorno's *Minima Moralia* this unschooled exercise in aesthetic thought gleefully diletantish oftentimes dangerously close to the epigrammatic interrogates an array of subject matter although inescapably circling back to the curiously resemblant histories of Western visual art and instrumental music through the lens of drive by speculation Erick Verran's approach to philosophical inquiry follows the brute force literary technique of Jacques Derrida to exhaustively favor the material grammar of a signifier over hand-me-down meaning juxtaposing outer semblances with their buried systems and our etched-in-stone intuitions about color and illusion shape and value with lessons stolen from seemingly unrelatable disciplines Interlarded with extracts of Ludwig Wittgenstein but also Wallace Stevens Cormac McCarthy as well as Roland Barthes this cache of incidental remarks eschews what's granular for the biggest picture available leaving below the hyper-specialized fields of academia for a bird's-eye view of their crop circles *Obiter Dicta* is an unapologetic experiment in intellectual dot-connecting that challenges much long-standing wisdom about everything from illuminated manuscripts to Minecraft and the evolution of European music with lyrical brevity that is before jumping to the next topic

Michael Hofmann André Naffis-Sahely, 2025-03-26 For more than four decades Michael Hofmann has made significant contributions to the literary cultures of Germany the United Kingdom and the United States ranging from his original poetry to translations of Kafka Brecht Hans Fallada and Joseph Roth among others In the first book-length study of this iconic figure poet and

translator Andr Naffis Sahely surveys Hofmann's life and work with an emphasis on his poetry situating him within the New Generation of writers including Carol Ann Duffy Simon Armitage and Don Paterson who rose to prominence in Britain between the mid 1980s and the early 1990s Reaffirming Hofmann's central place in contemporary literature Naffis Sahely presents the author's oeuvre as an extended passport application as the poet's unusually peripatetic nature emerges as a poetic means of questioning various modes of authority Naffis Sahely examines Hofmann's chief literary influences revealing that while he was heavily inspired by the example of Robert Lowell's confessional model his work was equally shaped by other poetic mentors including Ian Hamilton and Hugo Williams In turn Hofmann's five published volumes of poetry from his debut *Nights in the Iron Hotel* to his latest collection *One Lark One Horse* published after a silence of two decades chronicle the poet's sentimental and intellectual education from adolescence to middle age as well as the traumatic emotional experiences that arose from his relationship with his father the German novelist Gert Hofmann whom the poet portrayed to shocking effect in his breakthrough second collection *Acrimony* Naffis Sahely concludes his study with an analysis of the influence Hofmann has exerted on other poets testifying to the value and importance of his work in the contemporary British tradition followed by an extensive interview reflecting on his career

One Lark, One Horse Michael Hofmann, 2019-07-16

A new collection of poems by Michael Hofmann his first in twenty years Michael Hofmann renowned as one of our most brilliant critics and translators is also regarded as among our most respected poets Hofmann's status he is the author of one of the definitive bodies of work of the last half century *The Times Literary Supplement* is all the more impressive for his relatively concentrated output *One Lark One Horse* is his fifth collection of poems since his debut in 1983 and his first since *Approximately Nowhere* in 1999 It is also one of the most anticipated gatherings of new work in years In style his voice is as unmistakable as ever sometimes funny sometimes caustic world facing and yet intimate and this collection shows a bright mind burning fiercely over the European and American imaginations The poet explores where he finds himself geographically and in life treating with wit and compassion such universal themes as aging and memory place and the difficult existence of the individual in an ever bigger and more bestial world *One Lark One Horse* is a remarkable assemblage of work that will delight loyal readers and enchant new ones with Hofmann's approachable companionable voice

spiraling threesome But when Ivona becomes pregnant life takes an unexpected turn and Alex is puzzled more than ever by the mysteries of his heart Peter Stamm one of Switzerland's most acclaimed writers is at his best exploring the complexities of human relationships Seven Years is a distinct sobering and bold novel about the impositions of happiness in the quest for love [The Archive of Feelings](#) Peter Stamm,2023-12-05 Given a second chance with an old love a coolly detached archivist questions the life he could have had and whether it's not too late to live it A poignant ingeniously constructed new novel from one of Europe's most exciting writers New York Times Book Review Forty years ago almost a lifetime he confessed his love to a classmate and close friend Franziska Now living in his late mother's house with the obsolete archive of the newspaper he once worked for he looks back on days spent poring over files and clippings increasingly withdrawn from the world His occasional relationships never amounted to anything and the memory of Franziska who became pop singer Fabienne continues to haunt him as she appears in the media When the two cross paths again the possibility of a different life feels achingly real But should he risk the comfort of his ordered existence for a romance that might never match what he imagined A subtle mesmerizing portrait of late blooming passion The Archive of Feelings showcases Peter Stamm at his best [Agnes](#) Peter Stamm,2016-10-25 Peter Stamm's best selling debut novel Agnes now available for the first time in paperback Write a story about me Agnes said to her lover so I know what you think of me So he started to write the story of everything that had happened to them from the moment they met At first he works with Agnes to create a narrative that is most true to life but as time passes and he grows more enamored with the narrative he has begun he continues writing on his own imagining a future for them after he reaches the present Happy couples do not necessarily make for compelling reading and as Agnes sees the unexpected plot he has planned for her the line between fiction and reality begins to blur In this unforgettable and haunting novel Stamm incisively examines the power of storytelling to influence thought and behavior reaching a chilling conclusion **It's Getting Dark** Peter Stamm,2021-12-07 A new story collection from one of Europe's most exciting writers New York Times Book Review deftly evokes and explores the shifts that occur when the world grows dark Snowed in at a remote artists residency in Vermont Peter recalls another Christmas some thirty years earlier when he met Marcia by chance on a trip to New York City Only now in this eerie isolated place does he begin to see the consequences of their brief affair through a series of connections When Hubert asks Sabrina to model for a sculpture she's flattered and happy to help But facing the finished product looking at herself from previously hidden angles disturbs her and she becomes determined to follow her double after it's sold to a collector Uneasy in his own skin and with the humdrum life set out for him David decides to rob a bank He already has a mask for the purpose but won't be using it today He's heard that bank robbers often study the scene for weeks before they strike So he's started to lurk We think we know our world but then the familiar suddenly turns strange and even frightening In these powerfully affecting minutely constructed stories Peter Stamm illustrates how fragile our reality really is how susceptible to tricks of the heart and mind **The Sweet Indifference of the World** Peter

Stamm, 2020-01-21 NAMED A BEST BOOK OF THE SEASON BY VOGUE In this alluring melancholic novel Peter Stamm at his best a writer haunted by his double blurs the line between past and present fiction and reality in his attempt to outrun the unknown Please come to Skogskyrkog rden tomorrow at 2 I have a story I want to tell you Lena agrees to Christoph s out of the blue request though the two have never met In Stockholm s Woodland Cemetery he tells her his story which is also somehow hers Twenty years before he loved a woman named Magdalena an actress like Lena with her looks her personality her past Their breakup inspired him to write his first novel about the time they were together and in its scenes Lena recognizes the uncanny intimate details of her own relationship with an aspiring writer Chris Is it possible that she and Chris are living the same lives as Magdalena and Christoph two decades apart Are they headed towards the same scripted separation Or in the fever of writing has Christoph lost track of what is real and what is imagined In this subtle kaleidoscopic tale Peter Stamm exposes a fundamental human yearning to beat life s mysteries by forcing answers on questions that have yet to be fully asked
