## **Trinity And Election In Contemporary Theology:**

Trinity and Election in Contemporary Theology Michael T. Dempsey, 2011 A lively debate has been heating up among some of the foremost authorities on Karl Barth as they seek to answer a crucial point of contention Is the Trinity complete in itself from all eternity or is it constituted by the eternal decision of election Trinity and Election in Contemporary Theology offers a collection of essays that seek to address this question through rigorous and critical treatment of select topics in the theology of Karl Barth by contemporary interpreters from both Protestant and Roman Catholic perspectives Freedom and Flourishing Robert Leigh, 2017-11-09 Freedom is vital both to Karl Barth's theology and to modern religion politics and culture Leigh describes how Barth's lifelong fascination by freedom culminated in a fresh daring engagement with it in his last completed book volume IV 3 of the massive Church Dogmatics which is probably the most important work of Christian theology in the twentieth century That volume builds on Barth's earlier work but also goes beyond it in ways that have not yet been appreciated Leigh shows how this mature theology of Barth not only responds profoundly to key questions about freedom both in philosophy and theology but also opens up a rich habitable understanding of Jesus Christ and of life in relationship with him that is prophetic for the twenty first century This involves a dynamic integration of knowing with being being with action truth with witness individual with community and divine initiative with human flourishing At the heart of this life with God is participation in the asymmetrical yet utterly reciprocal interaction between human beings and the God who loves them in freedom Leigh succeeds both in describing this participation convincingly and in demonstrating its provocative attractiveness **Trinitarian Theology after Barth** Myk Habets, Phillip Tolliday, 2012-05-31 Drawing together scholars whose essays exhibit work after Barth in engaging the doctrine of the Trinity and its related themes Barth's thought as evidenced amongst his most expert commentators allows for a variety of interpretations the details of which are being hammered out on the pages of academic journals and volumes such as this one It is this variety of responses to and interpretations of Barth's theology that gives such vibrancy to the essays in this volume by seasoned Barth scholars and voices new to the conversation **Karl Barth's Analogy of Beauty** Andrew Dunstan, 2021-12-30 This book provides the first comprehensive examination of Karl Barth's view of beauty For over fifty years scholars have assumed Barth recovered traditional belief in God's beauty but refused to entertain any relationship between this and more familiar natural and artistic beauties Hans Urs von Balthasar was the first to offer this interpretation and his conclusion has been echoed ever since rendering Barth's view of beauty irrelevant to work in theological aesthetics This volume continues the late twentieth century revision of Balthasar's interpretation of Barth by arguing that this too is a significant misunderstanding of his theology Andrew Dunstan demonstrates that through an encounter with fatalistic forms of Reformed theology Brunner's charges that his dogmatics were irrelevant and medieval thought Barth gradually developed an analogy of divine ecclesial and worldly beauty with all the theological christocentric and actualistic hallmarks of his previous forms of analogy This not only yields

valuable new insight into Barth's view of analogy but also provides a much needed foundation for a distinctively Protestant and post-Barthian approach to theological aesthetics

**Jesus, History, and Revelation** Mitchell D. Mallary, 2025-07-22

There is a long standing assumption that the theological visions of Karl Barth and N T Wright are fundamentally at odds with one another with the thinkers purportedly representing two vastly different schools of thought within the Christian tradition. Jesus History and Revelation intervenes in these debates challenging the prevailing paradigm in which Barth is hailed as the forerunner of apocalyptic theology and Wright is the standard bearer of a salvation historical scheme. Mitchell Mallary demonstrates how Barth and Wright share remarkable affinities with one another in relation to Jesus as the objective historical reality of revelation, the subjective conditions for the possibility of human reception of revelation, and the task of the historian. Jesus History and Revelation proposes that the lived history of Jesus and the reality of divine revelation cannot be neatly categorized into apocalyptic or salvation historical schemes. Indeed, whereas those debates often center on Pauline interpretation, Mallary suggests that these issues first require to be addressed in relation to the historical Jesus, the Gospels, and Christology proper. Jesus History and Revelation is the first book to bring the work of Karl Barth into dialogue with N T Wright. Importantly, Mallary clarifies the relationship between the creaturely form of Jesus's humanity and the content of divine revelation, explains the necessary conditions whereby humans can discern this revelation, and unpacks the implications of both for a proper understanding of the relevance and limits of historical study for Christian theology.

*Analytic Christology and the Theological Interpretation of the New Testament* Thomas H. McCall, 2021-03-04

This study draws upon the resources of both contemporary analytic theology and the theological interpretation of the New Testament in order to investigate a set of important issues in Christology. It is the first work in analytic Christology to draw upon both recent scholarship in biblical studies and recent contributions to analytic philosophy and theology. Thomas H. McCall explores the themes of union with Christ and the faith of Christ as these are developed by the apocalyptic and New Perspective interpreters of Pauline theology. The volume offers a careful analysis of recent dogmatic proposals about the identity of Christ and the doctrine of election and provides an examination of debates over the subordination of the Son in Hebrews. It also probes the relationship of the incarnate Son to his Father in Johannine theology. McCall presents an exegetically grounded theological engagement with recent work on the place of logic in the doctrine of the incarnation.

Freedom, Necessity, and the Knowledge of God Paul D. Molnar, 2021-12-30

Paul D. Molnar discusses issues related to the concepts of freedom and necessity in trinitarian doctrine. He considers the implications of non-conceptual knowledge of God by comparing the approaches of Karl Rahner and T. F. Torrance. He also reconsiders T. F. Torrance's new natural theology and illustrates why Christology must be central when discussing liberation theology. Further, he explores Catholic and Protestant relations by comparing the views of Elizabeth Johnson, Walter Kasper, and Karl Barth, as well as relations among Christians, Jews, and Muslims by considering whether it is appropriate to claim that all three religions should be understood to be united under

the concept of monotheism Finally he probes the controversial issues of how to name God in a way that underscores the full equality of women and men and how to understand universalism by placing Torrance and David Bentley Hart into conversation on that subject *Irrevocable* R. Kendall Soulen,2022 *Irrevocable* focuses attention upon a crucial but often misunderstood feature of the Bible God s personal proper name Author R Kendall Soulen explores the implications of God s proper name for Christian faith and for Christianity s relationship to Judaism and Islam **Christ Is Time** Mark James Edwards,2022-04-01 *Christ Is Time* The Gospel according to Karl Barth and the Red Hot Chili Peppers welcomes you to the jungle of Barth s head banging opus the Church Dogmatics with the beats rhythms and lyrics of Smashing Pumpkins Pearl Jam Metallica and more Based on lectures at Princeton Seminary Edwards distills Barth s treatment of key questions in philosophical and systematic theology offering a playlist of greatest hits on trinity Christology prayer and others With the care of a scholar and the energy of a stack of Peaveys *Christ Is Time* testifies that the eternal God gives it away as time through Jesus Christ Let s face it Karl s style is a bit Beastie And since Depeche Mode can say it best this just might be a match made in Nirvana Go gaga **Reading Barth with Charity** George Hunsinger,2015-04-14 Karl Barth and his legacy have dominated theology circles for over a decade In this volume George Hunsinger a world renowned expert on Barth s theology makes an authoritative contribution to the debate concerning Barth s trinitarian theology and doctrine of election Hunsinger challenges a popular form of Barth interpretation pertaining to the Trinity demonstrating that there is no major break in Barth s thought between the earlier and the later Barth of the Church Dogmatics Hunsinger also discusses important issues in trinitarian theology and Christology that extend beyond the contemporary Barth debates This major statement will be valued by professors and students of systematic theology scholars and readers of Barth **Ecumenical Perspectives on the Filioque for the 21st Century** Myk Habets,2014-06-19 The volume presents a range of theological standpoints regarding the filioque With some contributors arguing for its retention and others for its removal still others contest that its presence or otherwise in the Creed is not what is of central concern but rather that how it should be understood is of ultimate importance What contributors share is a commitment to interrogating and developing the central theological issues at stake in a consideration of the filioque thus advancing ecumenical theology and inter communal dialogue without diluting the discussion Contributors span the Christian traditions Roman Catholic Protestant Eastern Orthodox and Pentecostal Each of these traditions has its own set of theological assumptions methods and politics many of which are on display in the essays which follow Nonetheless it is only when we bring the wealth of learning and commitments from our own theological traditions to ecumenical dialogue that true progress can be made It is in this spirit that the present essays have been conceived and are now presented in this form **Sexual Difference, Gender, and Agency in Karl Barth's Church Dogmatics** Faye Bodley-Dangelo,2019-10-03 This volume is a critical and constructive analysis of the sexually differentiated self in Karl Barth s Church Dogmatic It secures in his Christocentric pattern of human agency an

untapped resource for unsettling and reimagining the heteropatriarchal structure of human fellowship at the heart of his theological anthropology Moving through Barth's doctrines of revelation creation theological anthropology and special ethics Faye Bodley Dangelo locates the human agent in his broader project aimed at re habilitating the subject of modern protestant theology She argues the human actor comes into view as the recipient of Christ's redemptive activity which redirects it out of self aggrandizing isolation and into relationships of dependency responsiveness and ethical responsibility to multiple sites of divine and creaturely alterity The book debates that Barth's model of human agency cannot on its own terms sustain his version of female subordination nor his repudiation of same sex relationships Rather it contains ethically oriented critical and reflective mechanisms that resist the sexist heterosexist dimension of his theological anthropology and lend themselves to an anti essentialist performative account of gender *God's Being in Reconciliation* Adam J.

Johnson,2012-03-01 A survey of unity and diversity in Christ's saving work read and interpreted through the lense of the theology of Karl Barth Missa Est! Eugene R. Schlesinger,2016-12-15 The twenty first century church cannot afford to neglect mission When church and culture no longer share a common outlook the only way forward is mission Pope Francis recognizes this in his call for a missionary conversion of the church Responding to this invitation is a constructive work in ecclesiology addressing the relationship between liturgy and mission in the church's life It advances a notion of the church grounded in both liturgy and mission where neither is subordinated to nor collapsed into the other The church's liturgical rites disclose and enact the church's identity as a missionary community Close examination of the sources at the heart of traditional communion ecclesiology Trinitarian theology the sacraments of initiation and eucharistic theology yields an ecclesiology in which the church is constituted by both liturgy and mission These are two distinct ways of participating in the triune life of God which is revealed in the paschal mystery The church's pilgrimage to God's kingdom takes it through the world in mission The church as the body of Christ is given away to God and to the world for the world's salvation The result is a contemporary restatement of traditional ecclesiology transposed into a missional key **Christ's Humanity in Current**

**and Ancient Controversy: Fallen or Not?** E. Jerome Van Kuiken,2017-07-13 Was Christ's human nature fallen even sinful From the 18th century to the present this view has become increasingly prominent in Reformed theological circles and beyond despite vigorous opposition Both sides on the issue see it as vital for understanding the nature of salvation Each side advocates appeal to or critique the Church Fathers This book reviews the history and present state of the debate then surveys the connections distinctions and patristic interpretations of five of the modern fallenness view's proponents Edward Irving Karl Barth T F Torrance Colin Gunton and Thomas Weinandy and five of its opponents Marcus Dods the Elder A B Bruce H R Mackintosh Philip Hughes and Donald Macleod The book verifies the views of the ten most cited Fathers five Greek Irenaeus Athanasius Gregory Nazianzen Gregory Nyssen and Cyril of Alexandria and five Latin Tertullian Hilary of Poitiers Ambrose Augustine and Leo the Great The study concludes by sketching the implications of its findings for the

doctrines of the Immaculate Conception sin sanctification and Scripture      The Love of God John C. Peckham,2015-07-28

Theology has constantly wrestled with the nature of God's love and what it means for how God relates to the world In this comprehensive canonical theology of divine love John C Peckham argues for an account that avoids the errors of both voluntarist and experientialist theologies and faithfully represents the full biblical witness      **The Continuum Companion**

**to Hume** Alan Bailey,Daniel Jayes O'Brien,2012-03-08 David Hume 1711 1776 philosopher historian and essayist is widely considered to be Britain's greatest philosopher One of the leading intellectual figures of the Scottish Enlightenment his major works and central ideas especially his radical empiricism and his critique of the pretensions of philosophical rationalism remain hugely influential on contemporary philosophers This comprehensive and accessible guide to Hume's life and work includes 21 specially commissioned essays written by a team of leading experts covering every aspect of Hume's thought The Companion presents details of Hume's life historical and philosophical context a comprehensive overview of all the key themes and topics apparent in his work including his accounts of causal reasoning scepticism the soul and the self action reason free will miracles natural religion politics human nature women economics and history and an account of his reception and enduring influence This is an essential reference tool for anyone working in the fields of Hume Studies and Eighteenth Century Philosophy      The Doctrine of God and the Crisis of Modernity Jared Michelson,2025-05-15

In this incisive work Michelson traces contemporary debates on the doctrine of God back in time to the philosophical critiques of Hume and Kant Schleiermacher and Barth each offered accounts of the doctrine of God This book offers a critical evaluation of these accounts and demonstrates how they were responding to early modern critiques of the possibility of knowing God Michelson also leverages Charnock's account constructively to demonstrate how this earlier writer has the theological resources to tackle those same critiques Not content to stop there Michelson also highlights how these critics built their arguments on faulty interpretations of classical theological tradition In doing so this book carves out a provocative constructive path forward for contemporary theological reflection on the doctrine of God      **Karl Barth and Liberation**

**Theology** Paul Dafydd Jones,Kaitlyn Dugan,2022-12-15 This volume puts Barth and liberation theologies in critical and constructive conversation With incisive essays from a range of noted scholars it forges new connections between Barth's expansive corpus and the multifaceted world of Christian liberation theology It shows how Barth and liberation theologians can help us to make sense of and perhaps even to respond to some of the most pressing issues of our day race and racism in the United States changing understandings of sex gender and sexuality the ongoing degradation of the ecosphere the relationship between faith theological reflection and the arts the challenge of decolonizing Christian thought and ecclesial and political life in the Global South      **Obedience from First to Last** Edmund Fong,2020-03-18

Obedience from First to Last explores the theological significance of the obedience of Jesus Christ in Karl Barth's theology It does this via a threefold consideration of first the nature of Jesus incarnate obedience second the relation of that obedience to the obedience of the

second triune person of the eternal Son and third the effects Jesus obedience has on our own obedience Barth not only affirms the pivotal role Jesus obedience has within the economy of salvation but by equating that obedience with that of the eternal Son s Barth gives Jesus obedience a pre eminent place within the immanent being of Godself The obedience of Jesus Christ is seen to have a co participatory role in God s determination of his own divine being that arises from the primordial act of divine election This notion bears on our understanding of freedom and obedience as divine freedom is expressed in divine obedience so it is with human freedom and human obedience
