Army. Royal Army Medical Corps, 1915 The Poetics of Power in Augustan Rome Nandini B. Pandey, 2018-10-11 Explores the dynamic interactions among Latin poets artists and audiences in constructing and critiquing imperial power in Augustan Rome **Land of Sunshine**, 1915 *The Science of Business* Arthur Frederick Sheldon, 1917 *The Journal of Education*, 1914 The Roman Triumph Mary Beard, 2009-05-31 It followed every major military victory in ancient Rome the successful general drove through the streets to the temple of Jupiter on the Capitoline Hill behind him streamed his raucous soldiers in front were his most glamorous prisoners as well as the booty he d captured from enemy ships and precious statues to plants and animals from the conquered territory Occasionally there was so much on display that the show lasted two or three days A radical reexamination of this most extraordinary of ancient ceremonies this book explores the magnificence of the Roman triumph but also its darker side What did it mean when the axle broke under Julius Caesar s chariot Or when Pompey s elephants got stuck trying to squeeze through an arch Or when exotic or pathetic prisoners stole the general s show And what are the implications of the Roman triumph as a celebration of imperialism and military might for questions about military power and victory in our own day The triumph Mary Beard contends prompted the Romans to question as well as celebrate military glory Her richly illustrated work is a testament to the profound importance of the triumph in Roman culture and for monarchs dynasts and generals ever since But how can we re create the ceremony as it was celebrated in Rome How can we piece together its elusive traces in art and literature Beard addresses these questions opening a window
