A Romanian Rhapsody CECILIA BURCESCU with a Coda by Murry, 2008-10-07 Maestro Sergiu Comissiona's biography reveals facts about his happy childhood in a Jewish petit bourgeois family in Bucharest then the little Paris of Eastern Europe his adolescence under the Nazi specter and his youth in repressive communist times behind the Iron Curtain His life changes from the closed horizons of communist Romania to the broad ones of the Western world when he immigrates to Israel later

settling in England then Sweden and finally the United States His career path from an ensemble violinist to an internationally renowned conductor is followed chronologically and analytically based on his own accounts extended research and revealing testimonials The Maestro s rationale of having his biography written was in his own words for the Westerners to understand my deep attachment to my Romanian roots for the Romanians to know about my struggle for artistic affirmation in the Western world and mostly for young conductors to realize that through passion patience and persistence and by not committing suicide after the first failure the dedicated commitment to the profession bears fruit **ITA Journal** ,2008

contains conversations with nineteen African American classical musicians currently performing or who have previously performed in America's major symphony orchestras. Each chapter focuses on the story of one musician and sheds light on the realities of African American musicians playing in a musical environment that absolutely forbade their membership over half a century ago. These conversations explore the deeply ingrained prejudices that some hold against African American people in symphony orchestras, conservatories, and other musical institutions. By amplifying these voices, the book provides a variety of perspectives on the almost cloistered world of these beloved institutions. The stories and lessons shared in this book will be invaluable to music students, teachers, and orchestral professionals. Music, Books on Music, and Sound Recordings Library of Congress, 1987
