What To Do When Your Child Says Im Gay Minibook

Judith E. Snow

What To Do When Your Child Says Im Gay Minibook:

Your Child Says, I'm Gay Tim Geiger,2013-09-30 Four little words that will rock any parent s world I think I m gay If your child said this you are probably experiencing a combination of shock denial anger confusion and uncertainty Despite your shock you still want to respond well What should you say What questions should you ask How do you move forward in your relationship

This is a Book for Parents of Gay Kids Dannielle Owens-Reid,Kristin Russo,2014-09-09 Written in an accessible Q A format here finally is the go to resource for parents hoping to understand and communicate with their gay child Through their LGBTQ oriented site the authors are uniquely experienced to answer parents many questions and share insight and guidance on both emotional and practical topics Filled with real life experiences from gay kids and parents this is the book gay kids want their parents to read

Your Gay Child Says I Do Harvest USA,2012-08-31 We re getting married You expected to hear these words from your child but you never dreamed you would be asked to bless a same sex union How should you respond when your gay child says I do This minibook from Harvest USA a ministry for people struggling with sexual issues shows parents how the parable of the prodigal son offers

Mom, dad: I'm GAY! AEDGtaly,2023-12-12 What to do if your child comes out We are not always ready for our children to come out Translated from the Italian version Mom dad I m GAY What to do if your child comes out is a simple guide that aims to provide practical advice to all parents who want to accompany their LGBTQ child From initial reactions to listening to paying attention to signs of mental health problems It will be a quick and easy read accessible to anyone and can be consulted in any situation and time of the day

If Your Child Is Gay Steven F Kindle,2016-03-15 This book is intended for both the parent newly acquainted with a child s gay sexuality and those parents who are still struggling to make sense out of it It s meant to be a reassuring book from a pastor who has been involved with these parents and issues over a lifetime Why reassuring Because as you will discover in these pages there is nothing wrong with your child that is related to sexual orientation Yes there will be challenges and obstacles to overcome such as declining societal rejection potential bullying reorientation of true friendships and family relationships job and other overt forms of discrimination and the like But these all can be met without any lasting harm to the parties involved This book will help you sort out your feelings and provide you with up to date information that will help you navigate the uncharted course Many others have successfully navigated these waters before you and we will be drawing on their successes

How It Feels to Have a Gay or Lesbian Parent Judith E. Snow,2013-04-15 Sometimes I fantasize about having a magic wand How awesome it would be to wave it and completely eliminate prejudice hate and ignorance Just imagine what it would be like to live in a world like that *How It Feels to Have a Gay or Lesbian Parent A Book by Kids for Kids of All Ages* gives voice to the thoughts feelings and experiences of children adolescents and young adults who have a gay or lesbian parent In their own words they talk openly and candidly about how and when they learned of their parent s sexual orientation and the effect it had on themand their families Their stories echo themes of prejudice and

harassment conflict and confusion adaptation and adjustment and hope for tolerance and a family that can exist in harmony Because it s an issue for other people it becomes an issue for me I m angry about the way it works against me The stories told in How It Feels to Have a Gay or Lesbian Parent not only reflect the day to day struggle of children with a GLBT parent they also reveal the pain inherent in high conflict divorce and child custody cases Children of gay lesbian parents ranging in age from seven to 31 recall the confusion and grief created when the disclosure of their parent s true sexual orientation ended a marriage and divided a family The straight parent s resentment can lead to angry remarks that intentionally or unintentionally disparage the gay lesbian parent and threaten the natural love and affection the child feels for both I guess the hardest part about having a gay dad is that no matter how okay you are with it there s always going to be someone who will dislike you because of it The one on one interviews presented in How It Feels to Have a Gay or Lesbian Parent document first hand the effects of homophobia on family life Children struggle with the choice between living in a closet shamed by peers and family members or dealing with discrimination as a parent s sexual orientation is used against them Taken together these stories make a statement for acceptance understanding and tolerance as children do their best to make the transition from a traditional family to a nontraditional lifestyle My mom is a normal person just like everyone else The only thing that s different about her is that she s gay and if you can t deal with it you re just going to have to live with it How It Feels to Have a Gay or Lesbian Parent A Book by Kids for Kids of All Ages offers comfort and support to children from those who share their journey The book is a valuable aid for practitioners working with children of GLBT parents and an educational tool for GLBT adults considering children [So Your Child Is Gay](#) Kathleen Edwards, Ken Anderson, 2013-12-13 A mother's story I wrote this book in order to help all those parents who have loved their children nurtured them coped with their moods and dealt with the millions of problems which occur naturally every week of normal family life all the while trying not to let their own hopes and desires for its future overshadow the child s own inclinations only to find those hopes dashed and those dreams cast aside forever and even their own love of the child questioned when the child says Mum Dad I m Gay I faced this trauma a few years ago and I am now hoping this book can help other parents come through the experience from the instant grieving and angry phase through the confusion to the final acceptance no matter how long it takes I have met other parents who came to terms with it in a few months I took three years Some people never get it in perspective **"Mom, I'm Gay," Revised and Expanded Edition** Susan Cottrell, 2016-05-01 When your child reveals that he or she is attracted to the same sex how you respond may have a lot to do with your faith Doesn t the Bible say that s wrong Will we have to leave our church Worst of all you may wonder Do I have to choose between my Christian faith and my child Susan Cottrell is a mom who has been there and wants you to know that loving and accepting your gay child does not mean abandoning or even compromising your faith This is not a book about the politics or morality of homosexuality This is a book about how to respond with love and support during this vulnerable time for your child With practical advice and

heartfelt encouragement Cottrell guides readers through the fear and uncertainty Christian parents of LGBTQ children often feel

How to Understand and Accept Your Gay Son Grant Andrews, Malan van der Walt, 2015-02-08 This book will give you all the tools you need to understand and accept your gay son How can you accept your gay son If you have just found out that your son is gay or if you think he might be you might find it overwhelming and have lots of questions and confusion You might wonder what made him this way or wonder what it means for his life You could be feeling afraid heartbroken or disappointed Maybe you're hoping that this is just a phase that he will grow out of You might even feel like you don't know who he is anymore and wonder if there is any way to truly accept him Our parents have been there too We struggled immensely with coming out to our parents and they struggled to understand and accept us That is why we decided to write this book We both had deeply religious backgrounds and in our families being gay was never even talked about When we realized that we were gay we started out hating ourselves and trying everything to change When we told our parents they were angry and confused They couldn't reconcile what they believed in about gay people with the fact that their own sons were gay This book can help you to understand what being gay means In the book we offer all of the information that you need about what being gay means We give you clear direct and no nonsense answers to the questions you might still have such as Is homosexuality a choice Is there a way to change him Whose fault is it that my son is gay How does it relate to my religious views What does this mean for my son's future Learn what to say to your son It might be very difficult to know what the right thing is to say to your son when you find out he is gay We offer many examples of the types of things you can say during those difficult awkward conversations The dialogues we provide are written in loving supportive language You can use them to make sure that your son knows how you feel while talking to him in a way that can make your relationship stronger There are a variety of these example dialogues for many different situations including What to say if you think he might be gay What to say when he comes out to you What to say if he finds a partner How to talk to him about your confusion What not to say if you want to keep your relationship intact What to say to other family members Learn some practical steps to accept your son The final section of the book gives you lots of clear practical steps that you can take in order to learn to accept your son for who he is Once you understand what it means to be gay you can start the work of building a new and stronger relationship with your son We give you guidelines to overcome your discomfort and resources that you can rely on during your journey Highly trained authors who are experts in the field We have personal experience as we both walked a long path with our parents once we came out We also work in fields relevant to LGBT issues and family research Grant Andrews is currently completing his PhD at the University of the Western Cape with a focus on fatherhood and masculinities He is a researcher and lecturer His professional focus is on leadership development and capacity building Malan van der Walt is a student program coordinator at the University of Stellenbosch working with young lesbian gay bisexual and transgender people He studies psychology with a focus on gender and sexuality He works as a counselor and runs support groups Get this

book today and start a journey of acceptance with your son We wrote this book to make sure that families have all of the resources they need to work through this difficult time This book will give you vital tools to strengthen your bond with your gay son *Explaining LGBTQ Identity to Your Child* Tim Geiger, 2018-09-10 LGBTQ identities and their widespread acceptance have produced a host of questions and quandaries for Christian families How do you help your child navigate a world where their classmate may be transgender and their neighbors a gay couple How do you explain these issues and teach children to respond to LGBTQ identity with truth and love

What To Do When Your Child Says Im Gay Minibook Introduction

In the digital age, access to information has become easier than ever before. The ability to download What To Do When Your Child Says Im Gay Minibook has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download What To Do When Your Child Says Im Gay Minibook has opened up a world of possibilities. Downloading What To Do When Your Child Says Im Gay Minibook provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading What To Do When Your Child Says Im Gay Minibook has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download What To Do When Your Child Says Im Gay Minibook. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading What To Do When Your Child Says Im Gay Minibook. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading What To Do When Your Child Says Im Gay Minibook, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download What To Do When Your Child Says Im Gay Minibook has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About What To Do When Your Child Says Im Gay Minibook Books
