Adelakun, 2023-05-25 Public Righteousness The Performative Ethics of Human Flourishing is driven by the idea that part of what manifests as a disorderly display of virtue in public culture is underlined by the desire to see a more righteous society and an expression of the will to enact such an ideal world into reality This book re-structures the ferment of such public displays and fashions an ethic that overturns the ostentatious signals of self-righteousness and the fierce contest of animating visions This book engages the work of social ethicist Nimi Wariboko to explore an idea of public righteousness In place of smug superiority and phony pieties the performative ethics that inaugurate this public righteousness offer an intellectual and moral competence that establishes rectitude and culminates in human flourishing **The Seven Spirits Of God** Chris Oyakhilome PhD., 2006-01-12 Discover the Secrets to Living the Supernatural Life Naturally The Seven Spirits of God divine secrets to the miraculous teaches you What The Seven Spirits of God means Who The Seven Spirits of God are Why you must have them How you can receive them What they'll accomplish in your life **The Promise Land** Chris Oyakhilome PhD., 1997-01-09 This book is a classic exposition of the Christian life It provides Bible-based answers to a lot of questions and provides explanations needed to live a constantly victorious life Joshua brought the children of Israel into a land flowing with milk and honey yet the Bible says they did not enter the rest of God *The Power Of Your Mind* Chris Oyakhilome D.Sc., D.D., 2019-04-01 God's dream is for you to come into full possession of His manifold blessings and your mind is the vital instrument He's given you to appropriate this provision This timely classic opens to you that realm of endless possibilities and helps you explore the unlimited potential of your mind So get ready to make the right changes in the structure of your thinking and be that excellent personality Put your mind power to work and be all God wants you to be

Tongues of Fire Isaac Kevudo, This book gives a brief chronological testimony of our my friends and I early Christian journey and the notable divine intervention of God in our lives by prayer It also Highlights and addresses misconstrue misconceptions about speaking in tongues Outlines how a believer can desire and receive the baptism of the Holy Spirit to speak with new tongues Explains how the Christian can grow in tongues speaking and possibly avoid monosyllabic tongue Importantly some benefits associated with speaking in tongues testimonies included So then brothers and sisters I wish you all spoke in tongues 1 Corinth 14 5 and do not forbid anyone from speaking in tongues 1 Corinth 14 39

The Prosperity Gospel in Africa Marius Nel, 2020-06-15 Africans prevailing interest in the prosperity gospel is not only connected to the influence of American prosperity teachers reaching a worldwide audience through their imaginative use of the media but is also related to the African worldview and African traditional religion and its lasting influence on contemporary Africans and the way they think about prosperity as well as their interest in prosperity in post colonial Africa The research from a classical Pentecostal perspective about the impact of the prosperity message on Africa is necessary timely and relevant because of its influence in the African Pentecostal movement and its potential to harm the faith of believers leading to the potential disillusionment of Christian believers who put their trust and money in formulas and recipes that seemingly only work for others especially the prosperity leaders who lead by example with incredulous riches and wealth
