When Governments Stumble Lessons Zimbabwe:

When Governments Stumble Ben Freeth MBE, 2013-10-16 Ben Freeth established his credentials to write on this topic through his courageous and successful resistance to the bullying tactics employed by the Mugabe regime in Zimbabwe to throw him and his family off their land a story told in *Mugabe and the White African* He now throws his net wider to ask what response should Christians make to corruption and injustice when perpetrated by governments Justice is a fundamental aspect of the Judeo Christian faith Ben explores this theme through his own experience of government oppression in Zimbabwe and through contemporary instances where Christians have or have not stood up to be counted He considers the Biblical injunction to obey your rulers and examines the issues of fear and complacency sometimes Christians are compromised by their relationship with the ruling group What is our duty Most Christians feel powerless What can we actually do as individuals and as a group **Election Violence in Zimbabwe** Vimbai Chaumba Kwashirai, 2023-03-02 The ramifications of election violence in Zimbabwe are huge and ongoing and the loss of lives in the quest for democratic rights might be regarded as the foremost tragedy of post colonial Zimbabwe In this book Vimbai Chaumba Kwashirai examines the prevalence of electoral violence in Zimbabwe from the early 1980s to the present day With a range of rich examples Kwashirai offers a nuanced analysis of the overt and covert forms of violence that have pervaded the country's general elections While remaining attentive to the specifics of the Zimbabwean political landscape Kwashirai addresses broader debates in African politics and shows how insidious violence ethnic tensions and the weakness of opposition parties serve to undermine democracy across Africa Adopting an interdisciplinary approach he explores the various ways in which violence can be understood and crucially how it might be prevented **When Governments Stumble** Ben Freeth, 2013 Using the Zimbabwean situation as a model Ben asks How should Christians respond to corruption and injustice when perpetrated by governments **Farm Invasions in Zimbabwe** Luke Zunga, 2003 *Farm Invasions in Zimbabwe* covers the political situation both current and historical of Zimbabwe *AF Press Clips* United States Department of State. Bureau of African Affairs, 1979 *So Far and No Further!* J.R.T. Wood, 2012-05-04 *So Far and No Further* Rhodesia's Bid for Independence during the Retreat from Empire 1959-1965 Ian Smith's unilateral declaration of independence for Rhodesia now Zimbabwe on 11 November 1965 was seen by many as the act of a rebellious white minority seeking to preserve their privileged position in defiance of Britain's determination to shed her Empire and introduce rule by the African majority as soon as possible However the drama of UDI has long overshadowed and oversimplified the complexities of the preceding years In this account of that time based on sole access to the hitherto closed papers of Ian Douglas Smith and Sir Roy Welensky as well as extensive research at London's Public Record Office and in government and private collections elsewhere Dr J R T Wood chronicles the collision course on which Britain and Rhodesia were set after 1959 complementing his study of the fate of the Federation of Rhodesia and Nyasaland in his definitive *The Welensky Papers A History of the Federation of Rhodesia and*

Nyasaland 1953 1963 Britain Wood shows was intent on shedding her Empire as quickly as possible against a backdrop of the Cold War and the rise of Chinese and Soviet sponsored African nationalism She delivered some 600 one man one vote constitutions to her fledgling nations and had no intention of granting Rhodesia independence on different terms Unlike Britain's other African possessions however Rhodesia had enjoyed self governance since 1923 The largely white Rhodesian electorate wary of the consequences of premature and ill prepared majority rule sought instead dominion status akin to that of Canada Australia and New Zealand Their intention was gradually to pave the way for majority rule since 1923 Rhodesia's electoral qualifications had excluded race It was always understood that the African majority would acquire power the concern was the speed and smoothness of that acquisition Culminating in those dramatic days of November 1965 when Ian Smith concluded in the face of resolute British stonewalling that he had no alternative but UDI this unique account is the first in a series which chronicles the course of events that ultimately led to Robert Mugabe's accession to power in 1980 and all that entailed AF Press Clips ,1985-07 *Lion Songs* Banning Eyre,2015-05-01 Like Fela Kuti and Bob Marley singer composer and bandleader Thomas Mapfumo and his music came to represent his native country's anticolonial struggle and cultural identity Mapfumo was born in 1945 in what was then the British colony of Rhodesia now Zimbabwe The trajectory of his career from early performances of rock n roll tunes to later creating a new genre based on traditional Zimbabwean music including the sacred mbira and African and Western pop is a metaphor for Zimbabwe's evolution from colony to independent nation *Lion Songs* is an authoritative biography of Mapfumo that narrates the life and career of this creative complex and iconic figure Banning Eyre ties the arc of Mapfumo's career to the history of Zimbabwe The genre Mapfumo created in the 1970s called chimurenga or struggle music challenged the Rhodesian government which banned his music and jailed him and became important to Zimbabwe achieving independence in 1980 In the 1980s and 1990s Mapfumo's international profile grew along with his opposition to Robert Mugabe's dictatorship Mugabe had been a hero of the revolution but Mapfumo's criticism of his regime led authorities and loyalists to turn on the singer with threats and intimidation Beginning in 2000 Mapfumo and key band and family members left Zimbabwe Many of them including Mapfumo now reside in Eugene Oregon A labor of love *Lion Songs* is the product of a twenty five year friendship and professional relationship between Eyre and Mapfumo that demonstrates Mapfumo's musical and political importance to his nation its freedom struggle and its culture

International African Bibliography ,1982 **Thought Paralysis** Farhad Dalal,2018-03-21 Given the enormous struggles efforts and money expended on the equalities enterprise why has more progress not been made And further why have things actually become worse in some circumstances It is argued this has occurred because The values of Equality have been bureaucratized allowing the liberal principle of live and let live to be perverted and put in the service of fear and control The Diversity discourse has been hijacked by the libertarians and put in the service of increasing profit under the guise of liberty and inclusivity The equality movements have become apolitical sidetracked into the project of the indiscriminate

celebration and preservation of cultures in lieu of challenging the status quo within cultures as much as between them The versions of psychology and sociology that the equality movements have drawn on are over simple
