When My Heart Speaks My Pen Leaks:

When My Heart Speaks My Pen Leaks Calina S. Black, 2013-12-18 In life you will encounter many situations Some are similar others are much different than your fellow peers In my lifetime thus far I have personally and objectively experienced many cases of love and the loss of it abuse molestation and the feeling of abandonment Through my journey these experiences have caused deep states of depression which led to the heavy use of marijuana For as many negative situations I have been through there is an equal amount of positive times that were filled with joy Laughter has been and will always be my biggest ally through my most memorable moments and those that I often wish I could take back or even forget I invite you to take a journey with me through these trials and bouts of happiness through poetry Hopefully you will have a better understanding of me better and perhaps even see a glimpse of yourself within my poetic words **Emptied Destiny**

Wilford, 2025-10-08 Have you ever felt like you were searching for your worth in the things of this world Maybe the next degree or promotion will make me worthy of love Destiny spent many years thinking that love was earned yet deep down she didn't feel valuable At 27 years old Destiny realized she was broken and had no true understanding of her identity in Christ She had done all the things yet she still felt empty This led to many nights where she'd cry because instead of being whole she felt a void within Emptied is a collection of Holy Spirit infused poems that Destiny wrote as she journeyed through her pursuit of becoming whole She didn't know when she would be free but she knew the Jesus she read about in the Bible was more than capable of setting her free Emptied will change your life one poem at a time Have you noticed that your desires generally pull you towards the things that aren't healthy for you yet you can't seem to let them go Maybe like many of us you've allowed the things of this world to overtake you and consume you The first step to true freedom is recognizing that you are not free to begin with Destiny realized that before she could be filled by God He first would have to empty her of everything that was not like Him Each poem written led Destiny to freedom which she believes will have a similar impact on your life **Memoirs of a Blind Soul** Trent McClean, 2013-10-21 A collection of poems written to tell a story from different perspectives all stemming from the crossroads of life It's a journey taking you through different situations allowing you to connect within your own interpretations

150 Days of Praise Venetia Frost, 2014-09-05 At some point in his life Job learned to praise God during the difficult circumstances that came his way He knew that his blessings came from God and that it was not his own ability that produced his prosperity By directing his thoughts and his confession on God Job's faith was increased his thanksgiving abounded and Satan was unable to destroy him Do you have the kind of faith in God that produces praise through every circumstance As children of God we have to learn as Job did to cultivate that attitude of praise in our lives 150 Days of Praise will change your life as you learn how to practice praise bringing victory to the believer defeat to Satan and a greater intimacy with God Jelly Valimont 1st lady at Griffin First Assembly LOVE Our love level with God grows in moments of intimacy Intimacy is such a warm word It means you get close cuddle up and you experience each other in private ways
