Carole Mortimer, 2021-08-27 KIERAN Dance with the Devil 5 is the last book in USA Today and Amazon International 1 Bestselling Author Carole Mortimer's Contemporary Romance series Dance with the Devil Author Note It isn't necessary to read all of the previous books in this series before reading Kieran but there are possible spoilers in Kieran's book for JERICO Dance with the Devil 4 The first time Kieran set eyes on Janina was in a cold and dark Moscow cellar She was pointing a gun in his direction as she stood protectively over the man Kieran had come to Russia to find Not an auspicious beginning but surely it couldn't get any worse Except it did Once back in the States Kieran is tasked with ensuring Janina's safety Not so easy to do when every time he's alone with her all he wants to do is to throw her down on the nearest flat surface and make love to her A driving desire that he knows he needs to get under control when he's all that stands between Janina and the person trying to kill her **Dancing with the Devil** Alison Post, 2023-03-13 After leaving her dangerous husband Elizabeth Porter decides to move back home She immediately begins to rekindle her relationships with her parents and her best friend But when she begins to get harassing messages from her husband she has no one to turn to but her old rival The one man she hates almost as much as her husband Nick Wilder Nick Wilder hasn't given Elizabeth Porter one moment of his attention in the last ten years since he last saw her but when she comes back to town she begins to infiltrate every single one of his thoughts When he finds himself in a position where he's the only one there to protect her he must put all of their history aside in order to be there for her As these two end up spending all of their time together will new feelings begin to arise or will they take each other down in the process Trigger Warning This book does touch on an emotionally bordering on physically abusive marriage between the main character and her ex There are only two times that it happens presently and the rest is either from memories or her talking about it I understand that this can be a hard subject for some to read so there is no offense if you won't or can't read my novel
