What are the key issues facing black women in America today Does God s Word offer guidance in how to navigate the realities and difficulties posed by those issues After surveying black women across America to determine which topics are heaviest on their hearts the authors of Our Voices present a very personal and practical overview Ten women share with the reader their journeys and what they have learned from God s Word about His perspective on key issues facing them as black women This book provides a powerful challenge to the reader to walk in obedience to God s Word amid a culture that is bent on rebellion and that beckons us to do likewise **When a Woman Loves a Man** James Ford Jr.,2011-03-01 When a woman loves a man it s like all the cliches you have ever heard She stands by her man He has sunshine on a cloudy day She makes him feel like a natural man When a woman loves a man you are looking at how Christ loves She puts his needs before her own She focuses on what he needs and how he needs it When a woman loves a man she is his biggest cheerleader and encourager She will go to great lengths to protect him and promote him Although Jezebel was definitely an ungodly woman she showed her love for Ahab even though that love contributed to her death When a woman loves a man she stands by him against all odds in front of him against all foes and behind him to protect his back The Bible states that God took part of the man s rib and made the woman This is significant for many reasons one of which teaches us that the woman s love would be expressed in her protection of her husband emotionally The ribcage protects the vital organs like the heart and the lungs Yes God has made man the physical protector of the woman but He s equalled the playing field by making the woman the emotional protector of the man It has been said that man is the head but it is the woman that turns the head In Titus chapter 2 the older women are to teach the younger women how to love their husbands When a Woman Loves a Man will explore and explain the characteristics that a woman demonstrates that expresses her love to her man in the way that God intended
