Teaching English Learners in Inclusive Classrooms Elva Duran,2020-08-11 This newly revised text Teaching English Learners in Inclusive Classrooms updates and expands upon issues of great concern to those working with students who are English learners as well as having special learning challenges Given the unacceptable school drop out rates of these students this book provides practical tools and strategies for educators to approach the unique learning needs of these students It draws upon the most current laws and research in the interconnected fields of bilingual and multicultural education language

and literacy and special needs. Additionally, Dr. Durán draws upon her extensive experiences via classroom teaching, university-level instruction, and textbook writing in these fields to present a highly useful compendium of ideas. The range of chapters exemplifies the width and breadth of this material. A sampling of these chapters includes topics such as functional language teaching, students with more extensive needs, working with cross-cultural and linguistically diverse students in the U.S. and Central America, helping students with autism, and includes information in the area of transition for mild, moderate, and students with more extensive needs. There is also information as before on literacy and a chapter in the content subjects as it relates to social studies as well as a chapter on families of cross-cultural students. Many of the chapters look to use of direct instruction approaches that have proven to be successful strategies in addressing these educational areas. Teachers and teacher trainers will find this clear, well-written text to be an invaluable resource in addressing the needs of myriad and unique students.
