Andrew Gulliford

Where Eagles Winter Histroy And Legend Of The Disappointment Country:

Where Eagles Winter Wilma Crisp Bankston,1987 *Where Eagles Winter* Wilma Crisp Bankston,2012-05-01

Disappointment Valley is a land of unsurpassed beauty as belies its name Located on the western slope of the Rocky Mountains in Southwestern Colorado it is also rugged and isolated The name no doubt discouraged many and contributed to the strong willed and self sufficient character of the Valley s pioneers The nearly boundless grazing from high mountain summer pasture to low pinon and cedar juniper winter pasture made it prime cattle ranching country The ranching pioneers included Southerners displaced by the Civil War Northerners seeking new frontiers and immigrants from England Canada Ireland and Denmark While their backgrounds were diverse they shared a strong spirit of independence They often flaunted tradition and defied outside authority gaining them a reputation as lawless They weren t lawless but they preferred to settle their own affairs They chose to forgo the acceptance and ammenities of society for the sake of personal freedom This is their story It has been compiled from legends records and photographs provided by descendents of the settlers and by research of existing public records It chronicles events as they were perceived by those who lived in the Disappointment Country during the turbulent era of 1879 to 1929

The Last Cows Kathryn Wilder,2025 Told from the unique perspective of a female environmentalist cowboy rancher this work of literary nonfiction conveys the qualms joys challenges and heartbreaks of contemporary ranching in the American West Provided by publisher

The Woolly West Andrew Gulliford,2018-06-13
Winner 2019 National Cowboy and Western Heritage Museum Western Heritage Award for the Best Nonfiction Book Winner 2019 Colorado Book Awards History Category sponsored by Colorado Center for the Book In *The Woolly West* historian Andrew Gulliford describes the sheep industry s place in the history of Colorado and the American West Tales of cowboys and cattlemen dominate western history and even more so in popular culture But in the competition for grazing lands the sheep industry was as integral to the history of the American West as any trail drive With vivid elegant and reflective prose Gulliford explores the origins of sheep grazing in the region the often violent conflicts between the sheep and cattle industries the creation of national forests and ultimately the segmenting of grazing allotments with the passage of the Taylor Grazing Act of 1934 Deeper into the twentieth century Gulliford grapples with the challenges of ecological change and the politics of immigrant labor And in the present day as the public lands of the West are increasingly used for recreation conflicts between hikers and dogs guarding flocks are again putting the sheep industry on the defensive Between each chapter Gulliford weaves an account of his personal interaction with what he calls the sheepscape that is the sheepherders landscape itself Here he visits with Peruvian immigrant herders and Mormon families who have grazed sheep for generations explores delicately balanced stone cairns assembled by shepherds now long gone and ponders the meaning of arborglyphs carved into unending aspen forests *The Woolly West* is the first book in decades devoted to the sheep industry and breaks new ground in the history of the Colorado Basque Greek and Hispano shepherding families whose ranching legacies continue

to the present day **The Sundance Kid** Donna B. Ernst, 2012-10-11 He gained renown as the sidekick of Butch Cassidy but the Sundance Kid whose real name was Harry Alonzo Longabaugh led a fuller life than history or Hollywood has allowed. A relative of Longabaugh through marriage Donna B Ernst has spent more than a quarter century researching his life. She now brings to print the most thorough account ever of one of the West's most infamous outlaws tracing his life from his childhood in Pennsylvania to his involvement with the Wild Bunch and in 1908 to his reputed death by gunshot in Bolivia. Combining genealogical research access to family records and explorations in historical archives Ernst details the Sundance Kid's movements to paint a complete picture of the man. She recounts his homesteading days in Colorado offers new information on his years as a cowboy in Wyoming and Canada and cites newly uncovered records that substantiate both his outlaw activities and his attempts at self reform. While taking readers on the wild chase that became Longabaugh's life outracing posses and Pinkertons Ernst corrects inaccuracies in the historical record. She demonstrates that he could not have participated in the Belle Fourche bank heist or the Tipton train robbery and refutes speculations that Butch and Sundance managed to escape their fate in Bolivia. The Sundance Kid is enlivened by more than three dozen photographs including family photos never before seen. Forthcoming Books Rose Arny, 1988-09 *The Athenaeum* James Silk Buckingham, John Sterling, Frederick Denison Maurice, Henry Stebbing, Charles Wentworth Dilke, Thomas Kibble Hervey, William Hepworth Dixon, Norman Maccoll, Vernon Horace Rendall, John Middleton Murry, 1872 **Athenaeum and Literary Chronicle** James Silk Buckingham, John Sterling, Frederick Denison Maurice, Henry Stebbing, Charles Wentworth Dilke, Thomas Kibble Hervey, William Hepworth Dixon, Norman Maccoll, Vernon Horace Rendall, John Middleton Murry, 1860 "The" Athenaeum, 1860 *The Literary Gazette and Journal of Belles Lettres, Arts, Sciences, &c*, 1838
