Thru The Bible Vol 5 1 Corinthians Revelation:

Thru the Bible with J. Vernon McGee John Vernon McGee, 1983 **Rightly Dividing the Bible Volume One** David E Walker, 2018-01-10 An extensive yet simple and easy to read book about how to properly interpret the Bible Dr Walker has dedicated his time and effort in thorough research and answers most questions about dispensations and dispensationalism Upon reading these volumes the reader will find himself not only well informed but also with a great wealth of reference material for future use Dr David Peacock Pastor Bible Believers Baptist Jacksonville Florida GET THE BACKGROUND The excuse that there are so many interpretations of the Bible is exposed with a clear concise defining of biblical terms using the Bible itself to define those terms DISCOVER THE HISTORY Learn about the men manuscripts and movements that have shaped views of Bible interpretation Find out who really believed the Bible and those who merely used the Bible to support their opinions UNLOCK THE PROPHECIES Many prophecies are unraveled and shown how they relate to the return of Christ the church and the nation of Israel **Christ the Judge of the Seven Churches** David Moldenhauer, 2025-09-04 Writers have analyzed the letters to the seven churches in Revelation chapters 2 and 3 from various perspectives resonant or not allegorical or literal A widely taught historical view holds that the seven churches represent the overall history of the church age from Pentecost to the present But a practical perspective recognizes that any of the seven churches in Revelation can represent any particular local gathering at any time in the church age This study Christ the Judge of the Seven Churches of Revelation provides down to earth explanations of Christ s messages to the seven churches of Asia Minor It takes a literal conservative approach but not necessarily a traditional one This examination intertwines relevant passages of Scripture with the messages to the churches Highlighted with numerous practical applications it should serve as a valuable resource for anyone desiring to gain a better and fresh understanding of the first three chapters of Revelation **Earth's Last Empire** John Hagee, 2018-09-18 Our world is in crisis mode but God is still on the throne in this powerful and prophetic book from New York Times bestselling author and pastor John Hagee Bible prophecy clearly reveals that immediately prior to the rapture of the Church four powerful kings will race onto the stage of world history Pastor Hagee reveals who they are where they come from and what they signify Learn why Hagee believes that we are in the beginning stages of World War III and how this will eventually take us to the Battle of Armageddon Pastor Hagee vividly describes the key players that signify the King is coming **Getting the Monkey off Your Back** J. Emil Terry, 2012-03-14 This book was written for the sole purpose of setting people free from addictive behavior If a person struggles with an addiction to alcohol drugs over eating pornography or sex gambling or any other type of addiction this book gives clear direction for recovery It clearly explains and challenges the various approaches to recovery moreover it gives the reader step by step guidance in experiencing a recreation of their lifestyle establishing power manageability and stability There are many self help books produced and published for the purpose of helping people overcome addiction but not until now has anyone published a book that

challenge the disciplines of the behavioral sciences the twelve step process psychology psychiatry and the biblical based approach The questions are being answered as to whether these approaches really work and then the process for recovery is given in a simple format If you dont need this book buy it for someone who does *James Sue Edwards,2019-01-29* Popular Bible teacher Sue Edwards returns to lead women through the first century letter of James She highlights the boldness of James s demand to allow our faith to impact every area of our lives James focuses on how Christians should walk with God and how living out faith creates joy both for themselves and for God This Bible study encourages women to experience closer intimacy with God overcome bad habits and sinful patterns that drag them down and understand how to truly become that good and faithful servant of God they strive to be Sue includes opportunities to put each lesson into practice with a Get Up and Go activity James challenges readers to use what they learn during the study in their relationships homes churches workplaces and communities And if they do they will find that living out one s faith leads to a life that delights God *Why Your Weirdness Is Wonderful Laurie Wallin,2014-03-18* What if who you are right now is exactly who God meant you to be What if the weirdest most annoying things about you are actually for a purpose Often we lament about how we relate to God and to the world We over think things worry too much put things off argue too much talk too much or any number of other griefs We fight who we are and beg God to make us different But what if our greatest strength biggest gift and most potential is hidden in the very thing we seek to hide from the rest of the world our weirdness In *Why Your Weirdness Is Wonderful* author and certified life coach Laurie Wallin reveals strategies for anyone struggling to find a calling or to find and live their dream It teaches us to stop fighting ourselves and start following God not just in spite of but by embracing our weirdness

Funny Things Can Happen on Your Way through the Bible, Volume 1 Charles D. Barrett,2010-04-01 Proceeding from Voltaire s conclusion that God is a comedian playing to an audience that s afraid to laugh this book seeks to uncover some of the many instances in which biblical texts offer readers grace and insight through the divine gifts of humor wit and laughter Readers are invited to take a strikingly unusual if not unique approach to the texts imagining not only the voice inflections but also the body language of their narrators to capture the humorous nuances and ripples of laughter that likely attended the first telling of many biblical stories **The Good News: One Man's Journey Through the Bible** Charles M. Miller,2025-07-29 The work in this book was put together as a devotional to the deeply felt and wonderful study of God s Word the Bible In it through my many sources I have arranged well over fifty topics or subjects if you will along with the chapters and verses in the Bible that reflect the Bible s view concerning these topics As a devotional my book is arranged for you to pick whichever topic or group of topics that interests you My ultimate purpose in putting together this book is to help EVERYONE and ANYONE in THEIR UNDERSTANDING of THE WORD OF GOD the Bible Yes from the most sinful person to the most devoted from the most intellectual to the least capable of understanding Yes from the strong to the weak my purpose is to help ANYONE and EVERYONE to read and understand the Bible Bless you all [Empowering Hispanic](#)

Leaders Victor H. Cuartas, 2009 The estimated Hispanic population of the United States was 45.5 million in 2007 making people of Hispanic origin the nation's largest ethnic or race minority Hispanics constitute 15 percent of the nation's total population The Latino population in the United States will triple in size and according to the Census projections Hispanics will make up 29 percent of the United States population by 2050 This book offers suggestions for training Hispanic leaders who will be involved in ministry in various regions of the United States The findings of this research project produced information understanding and direction that can contribute to the imperative efforts to train emerging leaders for Hispanic groups everywhere The principles revealed in this study of Hispanic leadership training will prove effective in empowering leaders of other groups in the United States and other countries
