Time Well Spent Time Well Spent:

Time Well Spent Lula Latigue, 2024-11-25 The title of the book is simply acknowledging that what God says in scripture and personal time with him matters but what anyone else says about you doesn't matter anymore It's not top priority how I am looked at as a Christian what has been done to me or what has been said even the unrighteous prayers prayed against me I am in a good place heartwise and my soul loves the Lord All of the testimonies written and experienced is enough to keep me until Jesus returns Trusting that I may walk on this earth before and after salvation that I have helped someone along the way in moving forward staying humble when God uses this vessel to help someone grab hold of their salvation and all that God has for them

group of brain cells epilepsy has extreme diversity with over forty different types of seizures Besides the medical impact the prejudices and social stigma that surround epilepsy worldwide are often more difficult to overcome than the seizures themselves While Time Well Spent with Epilepsy is simply a memoir of my eventful life and times with epilepsy the book hopes to highlight and demonstrate along with the struggles surrounding the condition that epilepsy is not necessarily an obstacle to a persons progress through life People can have successful careers and lives despite the downsides of epilepsy
