Understanding The Of Hebrews The Story Behind The Sermon:

Understanding the Book of Hebrews Kenneth Schenck, 2003-01-01 In this work Kenneth Schenck re presents the complex argument of Hebrews in terms of the salvation story it tells Written at a level for college and seminary students Understanding the Book of Hebrews shows how this early Christian sermon utilized the events settings and characters of the salvation story line to remind the Christian audience that Christ has provided a definitive sacrifice for sins and that reliance on any other means of atonement is apostasy [An Introduction to the New Testament and the Origins of Christianity](#) Delbert Burkett, 2019-01-03 First published in 2002 this book offers an authoritative and accessible introduction to the New Testament and early Christian literature for all students of the Bible and the origins of Christianity Delbert Burkett focuses on the New Testament but also looks at a wealth of non biblical writing to examine the history religion and literature of Christianity in the years from 30 CE to 150 CE The book is organized systematically with questions for in class discussion and written assignments step by step reading guides on individual works special box features charts maps and numerous illustrations designed to facilitate student use An appendix containing translations of primary texts allows instant access to the writings outside the canon For this new edition Burkett has reorganized and rewritten many chapters and has also incorporated revisions throughout the text bringing it up to date with current scholarship This volume is designed for use as the primary textbook for one and two semester courses on the New Testament and Early Christianity *Hebrews: An Earth Bible Commentary* Jeffrey S. Lamp, 2020-05-14 In this new ecological commentary on the letter to the Hebrews Jeffrey S Lamp makes use of approaches developed in the relatively new field of Ecological Hermeneutics to shed light upon the connection of Hebrews with Earth Hebrews is frequently characterized as portraying a dualistic cosmology that diminishes the material world muting the voice of Earth Conversely Lamp argues that though Hebrews cannot be construed as an ecological treatise the contours of the letter s presentation may be subverted by reading from an ecological perspective such that cues provided by the author of Hebrews serve as opportunities to hear Earth s voice in the letter Three movements corresponding to thematic interests of the author of Hebrews form the framework of this ecological reading the Son as the agent of creation the Son depicted as the Second Adam and the New Jerusalem as the eschatological dwelling place of God This ecological reading of Hebrews aims to shape its readers into those who fulfill the soteriological aims of God in and for the world **Deciphering the Worlds of Hebrews** Gabriella Gelardini, 2021-04-19 In the collection entitled Deciphering the Worlds of Hebrews Gabriella Gelardini gathers fifteen essays written in the last fifteen years twelve of which are in English and three in German Arranged in three parts the world of behind and in front of Hebrews s text her articles deal with such topics as structure and intertext sin and faith atonement and cult as well as space and resistance She reads Hebrews no longer as the enigmatic and homeless outsider within the New Testament corpus as the Melchizedekian being without genealogy rather she reads Hebrews as one whose origin has finally been rediscovered namely in Second Temple Judaism

The Characterization of Jesus in the Book of Hebrews Brian Small,2014-01-30 In The Characterization of Jesus in the Book of Hebrews Brian Small applies the tools of literary and rhetorical criticism to reconstruct the author of Hebrew s portrayal of Jesus character The author of Hebrews uses a variety of literary and rhetorical devices in order to develop his characterization of Jesus The portrait that emerges is that Jesus is a person of exemplary character who exhibits both divine and human character traits Some of the traits reveal Jesus greatness while others reveal his moral excellence Jesus exemplary character plays a prominent role in the author s argument and has profound implications for his audience Jesus character produces many benefits for his followers and his character entails certain obligations from his followers

Christology, Hermeneutics, and Hebrews Jon C. Laansma,Daniel J. Treier,2012-03-01 This book discusses the history of the interpretation of the Letter to the Hebrews across the last two millennia Beginning with the Patristic period essays go on to examine the responses of Thomas Aquinas Martin Luther John Calvin as well as more recent figures such as Karl Barth and contemporary global interpreters The premise behind the work is to move study of Hebrews away from the perennial arguments about its authorship and provenance and to instead engage with it from a theological perspective focusing upon the text s reception history Consequently the issue of the Christological message in Hebrews is at the forefront and is considered both in terms of the interpreter s context and historical setting At the end of the book the investigations are summarised and responded to by leading scholars Harold Attridge Donald A Hagner and Kathryn Greene McCreight providing a fitting conclusion to a radical academic project

Mark's Argumentative Jesus Laurie Beaver,2018-05-22 The author claims that the gospel of Mark is a speech or sermon To prove this he shows how Mark used many of the elements of Aristotle s rhetoric Literary critics noticed these rhetorical features in Mark but remained with a literary critical model of that gospel instead of a rhetorical view that the evidence called for They continued to translate the first word of Mark arch as beginning to provide Mark s story of Jesus with a chronological beginning The author translates Mark s first word as guiding principle to provide Mark s persuasive speech or sermon with a logical starting point

Atonement and the Logic of Resurrection in the Epistle to the Hebrews David M. Moffitt,2011-07-27 Scholars often explain Hebrews relative silence regarding Jesus resurrection by emphasizing the author s appeal to Yom Kippur s two key moments the sacrificial slaughter and the high priest s presentation of blood in the holy of holies in his distinctive portrayal of Jesus death and heavenly exaltation The writer s depiction of Jesus as the high priest whose blood effected ultimate atonement appears to be modeled upon these two moments Such a typology discourages discrete reflection on Jesus resurrection Drawing on contemporary studies of Jewish sacrifice which note that blood represents life not death parallels in Jewish apocalyptic literature and fresh exegetical insights this volume demonstrates that Jesus embodied resurrected life is crucial for the high priestly Christology and sacrificial soteriology developed in Hebrews

Christian Origins and Hellenistic Judaism Stanley E. Porter,Andrew Pitts,2012-10-23 In Christian Origins and Hellenistic Judaism Stanley E Porter and Andrew W Pitts assemble an international

team of scholars whose work has focused on reconstructing the social matrix for earliest Christianity through reference to Hellenistic Judaism and its literary forms Each essay moves forward the current understanding of how primitive Christianity situated itself in relation to evolving Greco Roman Jewish culture Some essays focus on configuring the social context for the origins of the Jesus movement and beyond while others assess the literary relation between early Christian and Hellenistic Jewish texts
