study of the biblical text *Exploring the New Exodus in John* Paul S. Coxon, 2015-03-09 The theme of the New Exodus NE in John's Gospel has been largely unexplored in recent scholarship Now however by careful intertextual exegesis of John 5 10 Paul Coxon has compellingly argued that not only is the NE key to interpreting the Fourth Gospel but also to unlocking the mysteries of the Johannine puzzle itself Anyone who is interested in searching the riches of this marvelous Gospel will want to explore the NE in John in these pages **Plundering the Egyptians** John J. Yeo, 2009-11-16 Plundering the Egyptians focuses on the study of the Old Testament at Westminster Theological Seminary from 1929 to 1998 More specifically it presents the lives and academic labors of Robert Dick Wilson 1929 1930 Edward Joseph Young 1936 1968 Raymond Bryan Dillard 1969 1993 and Tremper Longman III 1981 1998 These featured scholars were highly influential in changing the shape of Old Testament studies at Westminster through the introduction of novel scholarly tools and ideas that reveal methodological and theological development Their individual historical contexts scholarly contributions and interactions with historical critical scholarship are presented and analyzed Modifications in their respective methodologies are highlighted and often indicate significant shifts within the Old Princeton Westminster trajectory from an anti critical stance toward a position of openness toward historical critical methodology and its conclusions The implications of these shifts within Westminster are important because they mirror the current changes and challenges in evangelicalism today **CSB Harmony of the Gospels** Steven L. Cox, Kendell Easley, CSB Bibles by Holman, 2024-06-15 CSB Harmony of the Gospels is a synchronized reading of the Gospels based on the work of John A Broadus and A T Robertson with each Gospel writer's account of events side by side In addition to the harmonious layout articles and commentary notes are included to provide deeper understanding of the four Gospels and the harmonized account of the life and teachings of Jesus CSB Harmony of the Gospels features the highly readable highly reliable text of the Christian Standard Bible CSB The CSB captures the Bible's original meaning without sacrificing clarity making it easier to engage with Scripture's life transforming message and to share it with others *Misunderstanding, Nationalism, or Legalism* Richard Wellons Winston, 2020-09-15 How does Paul assess Israel's error with reference to the law in Romans 9 30 10 13 and what solution does he present In the years since the dawn of the New Perspective on Paul interpreters continue to discuss what the Mosaic law required and how Paul described Israel's plight and solution In this work Richard Winston argues for a traditional law gospel explanation of a central passage in Paul's discussion of faith and the law Rom 9 30 10 13 defending the viewpoint that Paul critiqued Israel for seeking to obtain a right standing with God by obeying the law as the law requires and presenting faith in Christ as the solution for their problem Throughout the discussion special attention is given to how Paul rightly interprets the Old Testament to show that it is in agreement with his argument **Radical Obedience** David Pollard, 2025-10-14 What could be more counter cultural than obedience to the point of death That is precisely what Jesus did for us and then he called all his followers to do the same If we are the beneficiaries of his obedience how can we obey for the benefit of others Jesus says If you keep my commandments

you will abide in my love just as I have kept my Father's commandments and abide in his love John 15:10 Jesus is inviting us into something incredibly special a relationship with him and the Father And he does this by offering us a precious gift his obedience Are Christians bound to obey their authorities If so are there any exceptions How far do they go When can they resist This book addresses questions like these by looking deep into the heart of Christ and examining his mission of love and obedience From the very first rebellion a curse has infected the heart of humanity to resist all authority Christ is our only hope
