fulfillment and spiritual growth      **Broken, Searching, Trusted, Powerful** J. Guarnieri Hagemeyer, 2020-07-10 At first glance it may seem as though the Bible is populated with the stories of faithful men courageous men or nefarious men men who were either enemies or friends of God Mostly stories of men Added to the difficulty of seeing women in the pages of Scripture is the effort it takes to hear their voices and understand their stories The Bible itself was written largely from the male perspective concentrating on male heroes and villains Only the books of Ruth and Esther focus on a woman and neither one is written from an explicitly female lens Women most often become supporting characters Without thinking about it we've accepted this point of view and this unspoken role for women across time But a second glance reveals the stories of often unnamed women as living faithfully and courageously for God as well as some living powerfully and villainously against God Regardless of whose point of view is reflected in Scripture's stories women as much as men have contributed to the great narrative of God and humanity May their grit and tenacity their dignity and tragedy embolden you and me to live out our faith to the full      Revival: The Quest for God in China (1925) F. W. S. O'Neill, 2018-01-16 Those who are determined to find the beliefs of other people altogether wrong are recommended not to read this book No one indeed would care openly to avow such a determination At the same time there are very few of us who are able to preserve an unwavering attitude of trust in all sorts of conditions of men Especially is this the case when our humankind is separated into parties nations and religions labelled with names to some of which in differing ways we have been accustomed to attach associations of dislike This book discusses Buddhism Taoism Confucianism and Mohammedanism to educate the public as well as theological students      **Women Worshipping God While Wounded** Demetris Mayberry Roberts, 2015-11-19 I greet you in the name of our Lord God had a plan for me Though I pondered he still made preparations and gives confirmation I had no idea where or how to start but God already had it in his plan He had given me the tools I just needed to open the toolbox I found my pen screwdriver and the hammer scriptures Women Worshipping God While Wounded was birth through women that have been through the storm and came out with fascinating stimulating and encouraging testimonies and stories of purpose Its not about me or you but its his plan that will prevail No matter what your leaking issues are spiritual warfare the marriage on the verge of breaking up that man that left you the friend that looked the other way being the victim give them to God Dont give up on your dreams goals or visions and when God brings you out share the good news Get some new friends Deborah a renowned prophetess and judge the woman God used or Esther the woman who saved the Jews Your background does not determine what God can do with you God never forgets our labor of love like Ruth who was loyal to Naomi and faithful to God Dont live your life as the world turns on the edge of night May the grace of God push you into your next destiny      **The Works of John Bunyan. With an Introduction to Each Treatise, Notes, and a Sketch of His Life, Times, and Contemporaries. Edited by George Offor. [With Plates, Including Portraits.]** John Bunyan, 1853
