DeNardis,2020-01-07 A compelling argument that the Internet of things threatens human rights and security Sobering and important Financial Times Best Books of 2020 Technology The Internet has leapt from human facing display screens into the material objects all around us In this so called Internet of things connecting everything from cars to cardiac monitors to home appliances there is no longer a meaningful distinction between physical and virtual worlds Everything is connected The

social and economic benefits are tremendous but there is a downside an outage in cyberspace can result not only in loss of communication but also potentially in loss of life Control of this infrastructure has become a proxy for political power since countries can easily reach across borders to disrupt real world systems Laura DeNardis argues that the diffusion of the Internet into the physical world radically escalates governance concerns around privacy discrimination human safety democracy and national security and she offers new cyber policy solutions In her discussion she makes visible the sinews of power already embedded in our technology and explores how hidden technical governance arrangements will become the constitution of our future

Blood in the Streets Austin Fisher, 2019-02-20 *Blood in the Streets* investigates the various ways in which 1970s Italian crime films were embedded in their immediate cultural and political contexts The book analyses the emergence proliferation and distribution of a range of popular film cycles or filoni from conspiracy thrillers and vigilante films to mafia and serial killer narratives and examines what these reveal about their time and place With industrial conditions geared around rapid production schedules and concentrated release patterns the engagement in these films with both the contemporary political turmoil of 1970s Italy and the traumas of the nation's recent past offers a range of fascinating insights into the wider anxieties of this decade concerning the Second World War and its ongoing political aftermath
