children who are with her Ex partner As Anna runs from the dead she finds help from Rob and his fifteen year old brother Jack despite Rob s better instincts Together they run the nightmare gauntlet that used to be their neighbourhood Run from the Dead is the first book in a zombie apocalypse series following ordinary people trying to stay alive no matter what the cost Battling the dead and humans alike the people left must become somebody new Someone prepared to do whatever it takes to live Anna must learn to survive this cruel new world where the living can be just as terrifying as the dead *Zombie Escape* Ee Isherwood,2018-07-17 Death walks on a billion legs The world of zombies has reached a tipping point The cure is out there but can it be unlocked before the number of infected swells beyond counting Liam and his girlfriend climb out of the Mississippi River after having survived twenty days of the zombie apocalypse Their many adventures while looking for the cure could probably fill a book However today only one thing matters to them escaping the horde Marty Peters is also on the run nearby but the horde is not after her She is pursued by just one zombie It doesn t sound like much but the fear is every bit as real because it also happens to be her son Liam and Marty must find ways to evade the looming zombie threats in the nearby farmlands but ultimately their only hope is to find each other Each of them contains biometric data necessary to unlock the ultimate cure That salvation is three states over and beyond cities full of zombies They ll be pursued the whole way Let the escape begin This book was originally published as a standalone Due to reader demand I ve re labeled the story as book 7 putting it where it belongs in the journey started in book 1 Since the Sirens Run: A Post Apocalyptic Thriller Rich Restucci,2015-04-07 The dead have risen and they are hungry Slow and plodding they are Legion The undead hunt the living Stop and they will catch you Hide and they will find you If you have a heartbeat you do the only thing you can You run Survivors escape to an island stronghold A cop and his daughter a computer nerd a garbage man with a piece of rebar and an escapee from a mental hospital with a life saving secret After reaching Alcatraz the ever expanding group of survivors realize that the infected are not the only threat Caught between the viciousness of the undead and the heartlessness of the living what choice is there Run *Peripeteia* Sarah Lyons Fleming,2017-08-05 Months into the apocalypse the zombies show no signs of dying but it s clear everyone in Sunset Park will die without enough food to outlast the undead Add in the less than sociable new neighbors only blocks away and the hunt for sustenance has come to feel more like a race than a ramble Sylvie is happy in her new home with the people who ve become like family though she s still working out how to let them into her heart Eric wants in and he wants to find his sister but he can t do both at the same time If he can do the second one at all getting into the city was hard enough getting out may prove impossible Despite setbacks and a couple million zombies it seems fortune is working in their favor After all food security and family are extraordinary when just being alive is a notable accomplishment But fortune can turn on a dime and all it takes is one misstep **Until the End** Tracey Ward, An outbreak of The Fever has taken hold of Portland Oregon bringing the population to its knees The Fever spreads and kills quickly but the dead aren t staying dead When her neighbor Jordan saves her from an infected Alissa joins him in his plan to escape the

city the zombies and the threat of a quarantine that will lock the living in with the undead What she doesn't tell him is that she has an illness of her own one that plays tricks with her mind and makes her a dangerous companion But Jordan has a secret as well one that compels him to keep Alissa a veritable stranger safe at all costs As they fight for their lives and race for their freedom they'll discover that what they truly need in order to survive is to stay together until the end Salvation Joshua Jared Scott,2014-11-11 SEQUEL to Conflict Surviving the Zombie Apocalypse and the conclusion to Jacob Thornton's story of survival When the change struck a quarter of the world's population simultaneously and without warning perished Seven minutes later the corpses reanimated and promptly began to attack the living At zero hour well over one billion zombies walked the Earth A day later more than half the world's population had turned Escaping the city Jacob Thornton and a group of survivors began work on a settlement deep in the wilderness where they hoped to rebuild their shattered lives Isolated and far from the chaos it seemed they were indeed safe that is until the raiders appeared Forced to flee Jacob led his people north to the Black Hills They built fortifications gathered supplies and waited for the inevitable It did not come Time passed Homes were constructed crops planted and contact made with others around the globe So few remained but efforts were underway to rid the world of zombies There was a very real chance civilization would bloom once more Then the enemy returned determined to complete the genocide they began two years earlier **Reaching Heaven** Donald R. Franck,Franck,Francine C. Franck,2015-02-06 Second Chances takes you in the disturbing world where the Undead Walkers seek to feed on your flesh Fighting against terrible odds the people struggle to save a community that may hold the security of all mankind within its walls Dead Eye Hunt Peter Meredith,2019-11-03 With zombie hordes swallowing the earth mankind had no choice except to launch every nuke on the planet to stop them Now 150 years later we live in over crowded polluted cities surrounded by vast radioactive wastelands And no we did not get all the zombies They live among us sometimes hiding in plain sight Although the tattoos and piercings help them blend in and the drugs help to contain their rage they can never fully control their hunger It's endless When they give in and people go missing and partially eaten corpses start turning up the Dead Eye hunters are called in to clean up the mess Their job is to keep up the charade that we're safe They do it for a price In this world money talks Cash is king Cole Younger knows that better than anyone and he is hot on the trail of his next buck when he discovers that the tables have been turned He's not hunting Dead Eyes they are hunting him *The Zombie Apocalypse And Surviving Adventure* Nella Thies,2021-06-05 This was a hell of a fun book The read was interesting good storyline Would recommend it as a book for anyone that likes choose your own adventure story This book will test you on your adventures to escape the zombie hordes Can you save your family and safely get to a zombie free zone Find out now in this interactive zombie book Pick your own path in this interactive adventure book Zombie's Run Alan Gandy,2012-05-17
