Tien brieven rondom liefde en dood Jef Geeraerts, 1969 **Literature of the Low Countries** Reinder

Meijer, 2012-12-06 In any definition of terms Dutch literature must be taken to mean all literature written in Dutch thus excluding literature in Frisian even though Friesland is part of the Kingdom of the Netherlands in the same way as literature in Welsh would be excluded from a history of English literature Similarly literature in Afrikaans South African Dutch falls outside the scope of this book as Afrikaans from the moment of its birth out of seventeenth century Dutch grew up independently and must be regarded as a language in its own right Dutch literature then is the literature written in Dutch as spoken in the Kingdom of the Netherlands and the so called Flemish part of the Kingdom of Belgium that is the area north of the linguistic frontier which runs east west through Belgium passing slightly south of Brussels For the modern period this definition is clear enough but for former times it needs some explanation What do we mean for example when we use the term Dutch for the medieval period In the Middle Ages there was no standard Dutch language and when the term Dutch is used in a medieval context it is a kind of collective word indicating a number of different but closely related Frankish dialects The most important of those were the dialects of the duchies of Limburg and Brabant and of the counties of Flanders and Holland

Mix of Bricks & Valentines G.W. Sok, 2011-09-01 G W Sok co founded of the internationally acclaimed independent Dutch music group The Ex in 1979 He became the singer and lyricist more or less by coincidence since he wrote the occasional poem and nobody else wanted to sing At the same time he turned himself into a graphic designer of record sleeves posters and books Together with The Ex he was awarded the Dutch Pop Prize of 1991 The band is well known for their energetic live performances inventive music and politically outspoken and thought provoking lyrics After 1 400 concerts in Holland and abroad and 25 record albums later G W Sok decided to leave the group at the end of 2008 A Mix of Bricks provocative creative and witty everything punk and art intended to be from the start And yes it can be quite loud at times too
