Tierra Dorada Viajes Por Birmania Heterodoxos

Norman Lewis

Tierra Dorada Viajes Por Birmania Heterodoxos:

Tierra Dorada Norman Lewis, 2009-09 Norman Lewis viajó tres meses por una Birmania que acababa de salir de la Segunda Guerra Mundial. Sus efectos estaban a la vista. Recorrió carreteras y ríos en transportes cargados de comerciantes a veces escoltados por el Ejército. Pesaba la amenaza de una incursión comunista, alguna insurrección tribal o un asalto de bandidos. Y descubrió una tierra de deslumbrante belleza, de hospitalidad inquebrantable y con la espiritualidad a flor de piel. Una Birmania donde el director general de Prisiones citaba a escritores medievales ingleses y el aliento budista alcanzaba incluso a las ratas. Para celebrar el ingreso de un hijo en un monasterio se sucedían los espectáculos teatrales durante tres días. Todo lo recogió la mirada maravillada de Norman Lewis y lo fijó en un libro salpicado por destellos de humor y que exhala humanidad. Desde su publicación Tierra dorada figura en cualquier selección de las obras maestras del género. **El expreso de Rangún, genocidio y otros relatos** Norman Lewis, 2010-03 La mirada incisiva y la magnífica prosa de Norman Lewis aparecen más penetrantes si cabe en las colaboraciones que escribió para *The New Yorker*, *The Observer*, *New Statesman* y *The Sunday Times*. En este primer volumen de la selección de sus crónicas quedan tan patentes su sensibilidad, curiosidad, discreción y socarronería como su evolución personal. Norman Lewis empezó buscando lugares fuera del mundo moderno que le asombrasen. Ninguno de aquellos destinos existen como los conoció él: Belice ni la Ibiza anterior al boom turístico. Los más como Laos, Birmania, Guatemala y Liberia han sufrido guerras y golpes de Estado. Para atrapar la esencia de lo vivido empezó a escribir. Esto le obligó a atravesar la superficie y penetrar en el trasfondo. Con la escritura de *Genocidio* cruzó un umbral sin retorno. Norman Lewis ya no pudo permanecer callado. El impacto de esta crónica sobre la aniquilación de los indígenas amazónicos llevó a la creación de la ONG *Survival International*. EL AUTOR Norman Lewis, Londres 1908, Saffron Walden, Essex 2003. Empezó viajando por España, Italia y los Balcanes. Durante la Segunda Guerra Mundial fue reclutado por el Servicio de Inteligencia británico, experiencia que relata en su libro *Napoles 1944*. Escribió obras de ficción pero sobre todo es conocido por sus libros de viaje, entre los que destacan *Tierra dorada*, publicado en esta misma colección, y *A Dragon Apparent*. En total publicó veintiséis libros. Fue calificado como el decano de los viajeros británicos por el escritor Anthony Burgess como uno de los últimos secretos sin desvelar por su colega Pico Iyer y como el más grande escritor de viajes vivo si no el mayor desde Marco Polo según el periodista y escritor Auberon Waugh. Norman Lewis siguió recorriendo los caminos menos trillados hasta los noventa años.

Fuel your quest for knowledge with Authored by is thought-provoking masterpiece, Dive into the World of **Tierra Dorada Viajes Por Birmania Heterodoxos** . This educational ebook, conveniently sized in PDF (Download in PDF: *), is a gateway to personal growth and intellectual stimulation.
