Common Core State Standards for Grades 2-3 Michelle Manville,2013-09-18

Common Core State Standards for Grades 2-3 Language Arts Instructional Strategies and Activities is designed to help teachers teach CORE standards using research based effective instructional strategies in combination with ready to use activities. These strategies include identifying similarities and differences, writing summaries and taking notes, creating non-linguistic representations and suggestions for homework and practice. There are a variety of suggested texts as well as identified text exemplars that can easily be used with the suggested activities. The activities accommodate most teaching styles and can be used by the new teacher as well as the experienced teacher with very little advanced preparation required. While the activities in each chapter are listed as single suggestions, they can be used individually or combined to strengthen your current units as you implement the Common Core State Standards in your daily planning and instruction.

Common Core Curriculum Maps in English Language Arts, Grades K-5 Great Minds, 2011-10-19. The first books to present specific guidance for teaching the Common Core State Standards. Forty-three states plus the District of Columbia and the U.S. Virgin Islands have signed on to adopt the Common Core State Standards (CCSS). The need for curriculum guides to assist teachers in helping students meet these standards has become imperative. Created by teachers for teachers, the research-based curriculum maps in this book present a comprehensive, coherent sequence of thematic units for teaching the skills outlined in the CCSS for English language arts in Grades K-5. The maps address every standard in the CCSS yet are flexible and adaptable to accommodate diverse teaching styles. Each grade is broken down into six units that include focus standards, suggested works, sample activities and assessments, lesson plans, and more. Teachers can use the maps to plan their year and craft their own more detailed lesson plans. Any teacher, school, or district that chooses to follow the Common Core maps can be confident that they are adhering to the standards.
