The Clinical Practice of Master Tung's Acupuncture L Robert Chu Phd,2016-10-18 In this book I use a lot of standard acupuncture points along with Master Tung s acupuncture and emphasize the use of channels and imaging for optimal clinical use If a practitioner can use this work they can have a turnkey approach in the clinic simply by implementing these acupuncture and herbal protocols The idea is for each disease I have installed cheat sheets for the practitioner to immediately refer to and try to insert needles and prescribe herbs for The fifth in the series of Master Tung s Acupuncture books the idea is for someone to start with the Master Tung s Primer The Best of Master Tung s Acupuncture Master Tung s Acupuncture for Pain and Master Tung s Acupuncture for Internal Medicine Disorders With this manual we will discuss the use of Master Tung s Acupuncture with herbals for even greater clinical success The book is composed of monographs on each disease best points to treat the problem and high percentage success herbal prescriptions to give the patient as homework Unique is that we only use a handful of both TCM and Master Tung points and a small amount of herbal formulas for a turnkey approach to a clinic This can be used as a roadmap for the new clinician improve clinical success for the intermediate practitioner or provide an alternative approach for the seasoned veteran

Acupuncture Medicine Yoshiaki Omura,2003-01-01 Starting with historical background including the origins and meanings of concepts essential to the practice of acupuncture the text proceeds to a discussion of the anatomical and pathophysiological concepts of Oriental medicine concluding with a detailed review of diagnostic methods A practical guide for lay practitioners as well as healthcare professionals 114 black and white illustrations

Imaging Made Easy Brad Whisnant, Deborah Bleecker, 2015-01-22 This book explains how to use Tung acupuncture points
 to treat pain and internal diseases **Master Tung's Acupuncture Primer** L Robert Chu Phd, Robert Chu, 2015-04-15 This
 book is a Primer an introduction of the quintessential basics Something that a person who has not attended my seminars
 could read quickly and immediately familiarize themselves with the core concepts imaging channel methods have a few go to
 points and immediately apply the magic of Master Tung s Acupuncture in the clinic It is not exhaustive in theory details or
 intricacies but shows the power of the system to a TCM trained acupuncturist and immediately benefit by it When I first
 started working with Master Tung s Acupuncture in acupuncture school I read the available books of that time and wished
 there was a simple book to present the information Since the average acupuncturist already is familiar with over 400 points

why scrap that and begin another system But in the way I wrote this Primer they can simply add to the information they have and then immediately apply this in the clinic There are many books on Master Tung s Acupuncture but often these books may be too much for the beginner and do not let the beginner grasp useful concepts or how to use Master Tung s Acupuncture But don t underestimate the power of the content of this book It will certainly transform your practice The idea of this book is to give you a simple and elegant rationale for using the system use the powerful 14 Channel acupuncture you are already familiar with and make use of the Master Tung system immediately **Mastering Tung Acupuncture** Brad
