Brian Borgman

Torn To Heal Gods Good Purpose In Suffering:

Torn to Heal Mike Leake, 2013-05-01 God is radically dedicated to our ongoing growth in spiritual maturity and holiness This is both glorious and terrifying It is glorious because the Lord of heaven and earth is for us But it is terrifying because we are idolaters This means that when God brings greater redemption into our lives he also brings a death sentence to our fallen desires In love God will do whatever it takes even tearing us to shreds if necessary to replace our feeble pleasures with lasting desire for himself Sadly in our culture two false responses to suffering have become deeply embedded in the Church deadly dualism and shallow stoicism Each can effectively hijack God's good purpose in suffering Torn to Heal equips us to understand and reject these false and self defeating approaches to suffering and to embrace God's good purpose in our trials

The Secret of Spiritual Joy William P. Farley, 2015-11-01 At one time or another most Christians struggle with depression discouragement or despondency When this happens spiritual joy is the great need William Farley has written a practical book to help flawed human beings discover and implement the secret to spiritual joy The author contends that the gospel is the key to a life overflowing with joy That is because a right understanding of the gospel produces the humility that motivates a life of continual thanksgiving A heart humbled by the gospel is the well from which stressed believer can draw the gratitude that generates spiritual joy This book also examines common joy killers like grumbling complaining boasting and self pity and provides practical suggestions for conquering them Such attitudes cannot co exist in a heart saturated with gospel gratitude Ultimately a clear grasp of the cross is the secret to spiritual joy

After They Are Yours Brian Borgman, 2014-10-01 Adoption offers a powerful testimony of grace in a world of unwanted pregnancies and on demand abortion But no one said adoption is easy As an adoptive parent and pastor who has counseled many adoptive parents Brian Borgman knows there is another side to adoption that we are often reluctant to talk about Parenting is always a challenge but parenting an adopted child can have some special challenges Adoptive parents can experience much heartache and even guilt with their adopted children Many suffer in silence Borgman writes with a burden to minister to those who are struggling After They Are Yours The Grace and Grit of Adoption talks transparently and redemptively about the often unspoken problems adoptive parents face Combining personal experience biblical wisdom and a heart for people Borgman recalls the humbling and difficult lessons God has taught him and his wife This is not a success story rather it's a story of struggles and failures set in the broader context of a God who is gracious and continually teaches us the meaning of adoption

Good News About Satan Bob Bevington, 2015-01-01 The bad news of Satan while serious is overshadowed by the good news of Jesus Here are the plain teachings of Scripture regarding Satan demons and spiritual warfare from a perspective that makes paramount the sovereignty of God and the finished work of Christ Containing none of the unfruitful speculations so common to this topic we believe it differs significantly from virtually every other book on the subject See more at <http://www.cruciformpress.com/sthash.cXvo7FHQ.dpuf>

Hit List Brian G. Hedges, 2014-11-01 The Christian life is a war and one

of your most lethal enemies hangs its helmet inside your heart This infernal internal enemy is sin which even after new birth continues to reside in every believer As followers of Jesus we've been given a simple mission regarding sin search and destroy Put it to death But in the words of Cornelius Plantinga Jr sin has a thousand faces It is one thing to oppose sin in principle quite another to actually do the bloody work of crucifying specific sin patterns in our lives Sometimes these patterns are difficult to detect Always they fight back tooth and nail mounting vehement resistance in counter maneuvers of a variety and complexity that would send General Schwarzkopf's mind spinning like a tilt a whirl The most famous faces of sin are the Seven Deadly Sins pride envy wrath sloth greed gluttony and lust Not merely corrupting vices in themselves these seven are gateway sins leading to countless others They are the leading undercover operatives for the world the flesh and the devil that evil complex of powers arrayed against our souls And while we may recognize these sins by their names we are often misled by the subtlety of their methods and ways These sins are masters of disguise adept at masking their true nature in charades of harmlessness acceptability and fun In Hit List Brian Hedges helps us take aim at the seven deadly sins by providing detailed dossiers for each one and equipping us with rich gospel resources for replacing vice with the virtue of Christ

Broken and Unashamed Terri-Ann Marie Nelson, 2017-03-23 The moment one admits they are broken is the moment they realize how desperate they are in need of a savior Broken and Unashamed is not just a book but a journey the author challenges readers to embark upon During this journey the reader is encouraged to lay all their hurt and pains from past abuse at the feet of God And by doing so they are able to experience first hand the amazing love of God

Finding Freedom and Grace in a Broken World Thomas M. Stallter, 2024-02-09 We have been brought up to see things in a particular way to interpret our experience and respond to events people and even to God in cultural and personal ways This has given us a frame of reference that undergirds all else we know trust and love in life as well as all we question distrust and hate But this foundation is not without its cracks We live in a broken world and it has influenced us more than we know Various Christians give us advice but we often find ourselves stuck in the emotional pain of past experiences We may not realize how much it controls our thinking and we wonder why we are unable to experience the freedom and peace Jesus talks about But things are not always what they seem we need to see them as they are not as other influences have shaped them It is time we let God speak for himself on the matter This book turns our minds to trust and freedom in our walk with God It leads us to know God's grace providence and purposes in a way that changes our lives and experiences in this broken world from this day on

A Theology of Health Tyler J. VanderWeele, 2024-09-15 While the health of the body can be defined by its functioning parts and systems the health of the person is more complex To flourish we need to understand health in the context of God's intent A Theology of Health presents a Christian understanding of the very concept of health both the health of the body and the health of the person Preeminent scholar Tyler J VanderWeele argues that health can be understood as wholeness as intended by God and that sin whether individual wrongdoing societal injustice or the fallenness of creation

causes ill health VanderWeele explains that restoration and fulfillment of health is salvation pointed toward in the life of Jesus Christ to be lived out through the work of the Church and for which we await final completion VanderWeele also demonstrates the broader relevance and implications of his insights to all who seek to understand health well being and the ultimate ends of human life A Theology of Health is an essential theological exploration that seeks to promote health healing and flourishing of the whole person **The Christian Doctrine of Health** Lily Dougal,1916 *Broken Tools in God's Hands* , **Hosea** John James Given,1888 **Michigan Christian Advocate** ,1928 **The Tender Touch of God** Mike MacIntosh,2002 Liahona ,1917 □□□□ □□□ Moses Alshekh,1996 Health Reformer John Harvey Kellogg,James Thomas Case,1870 *Divine Healing* S.
