The ABCs of Group Visits Edward B. Noffsinger, 2012-10-26 The US healthcare system faces numerous difficulties uncontrolled increases in costs major access problems doctor shortages closing practices inefficiencies decreasing revenues shrinking bottom lines large numbers of uninsured and underinsured patients and the upcoming increased demands in service posed by the Affordable Care Act As a result many physicians and health care organizations are turning to group visits to address these problems While Dr Noffsinger's textbook *Running Group Visits In Your Practice* is the cornerstone reference on designing implementing and running shared medical appointments SMAs in one's practice it lacks the simplicity and practicality that clinicians are looking for to start their own SMA programs *The ABCs of Group Visits* is a practical streamlined and step by step guide focused on the implementation aspects of group visits Healthcare professionals at every level are looking for alternate ways to deliver high quality care at lower cost and it is clear to many that group visits provide a care delivery model that will address many of today's critical challenges *The ABCs of Group Visits* quickly provides a solution for your busy practice

Car and Driver, 1982 **Strategic Market Management** David A. Aaker, Damien McLoughlin, 2010 The text is a European adaptation of our current US book *Strategic Market Management* 9th Edition by David Aaker This new edition is a mainstream text suitable for all business students studying strategy and marketing courses *Strategic Market Management Global Perspectives* is motivated by the strategic challenges created by the dynamic nature of markets The premise is that all traditional strategic management tools either do not apply or need to be adapted to a more dynamic context The unique aspects of the book are its inclusion of A business strategy definition that includes product market scope value proposition and assets and competences A structured strategic analysis including a detailed customer competitor market and environmental analysis leading to understanding of market dynamics that is supported by a summary flow diagram a set of agendas to help start the process and a set of planning forms Concepts of strategic commitment opportunism and adaptability and how they can and should be blended together Bases of a value proposition and strong brands A strategy without a compelling value proposition will not be market driven or successful Brand assets that will support a business strategy need to be developed Creating synergetic marketing with silo organisations defined by products or countries All organisations have multiple products and markets and creating cooperation and communication instead of competition and isolation is becoming an imperative A global perspective is an essential aspect of this new edition This reflects the lived experience of the student reader but also their likely professional challenges This is achieved by the extensive use of new examples and vignettes
