Understanding Mens Passages Discovering The New Map Of Mens Lives:

Understanding Men's Passages Gail Sheehy, 1999-05-04 Her stunning bestsellers *Passages* and *New Passages* brilliantly mapped the changes we live through from youth to maturity Now Gail Sheehy guides contemporary men through the turbulent challenges and surprising pleasures that begin at forty As a man crosses that threshold he is bound to ask midlife's most troubling question Now what Work anxieties concerns over sexual potency marital and family stress issues of power all take on new urgency as men contemplate the decades ahead But as Gail Sheehy reveals in this major new book midlife is precisely the period when men are most likely to reinvent themselves and become masters of their fate In *Understanding Men's Passages* Sheehy offers all men and the women in their lives an essential guide to self discovery Hundreds of bold imaginative men celebrities as well as everyday heroes share here their most intimate desires deepest fears and most fervent cravings for renewal Decade by decade Sheehy uncovers the real issues facing men today finding new passion and purpose to invigorate the second half of their lives dealing with menopause surviving job change enjoying post nesting zest defeating depression and learning what keeps a man young Informative and inspiring grounded in fact and full of fascinating life stories *Understanding Men's Passages* is a landmark that will take its place beside Gail Sheehy's epoch making *Passages* and *New Passages*

Winners in the Second Half Julie Perigo, 2008-09-15 Later career the second half of the game is not as it is often perceived to be a period of decline or a black hole but an inspirational time of Generative Leadership and a challenging opportunity for better tactics This book explores common fears and uncertainties about the second half of the game enabling you to feel comfortable exploring opportunities previously outside of your comfort zone and feel confident about your future The common language and frameworks will help you to influence your organisation to create innovative new models and opportunities around leadership both for yourself and your colleagues Cases and stories from high profile business public sector and sports professionals along side practical diagnoses will inspire show you how to take more personal control and determine what combination of things you really want in the second half with the tools and techniques to make this happen This is a practical leadership guide for anyone in management concerned with what their life career and leadership capabilities will look like once they approach and enter what used to be the traditional retirement age and move into the second half of the game David Grayson Director of the Doughty Centre for Corporate Responsibility at Cranfield School of Management I know from both the demographic data across the developed world and the personal experiences of many people that I meet socially and professionally that Julie is on to something very timely with her message

The Leader on the Couch Manfred F. R. Kets de Vries, 2011-01-31 Despite the proven benefits of emotional intelligence organizational life has typically been hostile to the inner world of feeling Rationality is deemed superior to feeling which can contaminate judgment But without feeling there is no passion and no action This book sets out to change people and organizations for the better by revealing the dark side of leadership behaviour and its impact on performance Tapping into

the startling parallels between the journey to emotional intelligence the process of psychoanalysis the practice of leadership coaching and the Zen journey to enlightenment renowned thinker Manfred Kets de Vries helps executives consultants and coaches to peel back the layers of self deception and reveal how inner personality largely hard wired since early childhood affects the way they lead and manage others **Happily Retired: What works ... what doesn't** Julie Chahal,Linda

Beloved Dust Robert Davis Hughes, III, 2008-08-15 There has been an explosion of interest in classical Christian spirituality over the past 50 years While a great deal of work has been done on the history of Christian spirituality there has been no full scale theological and pastoral treatment of Christian spiritual life since before the Second Vatican Council Beloved Dust takes a realistic contemporary view of human being as entirely physical dust and shows it immersed in three great tides of the Holy Spirit the traditional threefold rhythm of conversion transfiguration and glory What is unique about Robert Hughes's approach is the effort to root spiritual theology in the doctrine of the Spirit an outgrowth of the renewed interest in the Trinity among both Catholics Karl Rahner and Protestants Robert Jenson Also striking is Hughes's emphasis on ordinary life Here as a married Episcopal priest theologian who brings a distinctly Protestant perspective to a traditionally Catholic enterprise for so long the preserve of celibate priests What he achieves is a new presentation of the traditional teaching in the light of contemporary knowledge and practice
