Exploring the Bible Stephen Harris, 2009-02-26 Exploring the Bible provides students with a clear concise and accessible introduction to the Bible both Old and New Testaments The book combines current scholarship with a fresh readable analysis of the biblical literature placing each document in its socio historical context Student friendly it facilitates learning with helpful pedagogical features ranging from Key Topics Themes summarizing crucial information at the head of each chapter to an extensive glossary of essential terms at the end of the book At the close of each chapter Questions for Discussion and Review contribute to stimulating class discussions Recommended Readings emphasize the most current and easily accessible references for further study

Exploring the Bible Stephen Harris, 2013-02-07 Designed for the introductory Biblical studies course this text surveys both the Old and New Testaments This book takes a clear and honest presentation of the passages in the Bible from the legacy of Genesis to the book of Revelation Narratives include Jesus s life and teachings and the promises of heaven and a new earth as they are outlined in the book of Revelation

Understanding the Bible Stephen L. Harris, 1980

Somewhere in the Bible Harris F. Allen, 2011-04-27 For all who have found the Bible difficult to read and science hard to understand this author did too Wouldnt it be wonderful if someone would take the time to study things such as difficult verses Also would it be helpful if somebody wrote it in a book Have we really found real truth to Noahs flood Does anyone know the physics that could cause such a global occurrence Someone has now researched for most of a lifetime plus three extra years of intensive study The answers are not always easy the solutions not always simple Modern Science finds more evidence almost daily that there once was a flood of such proportions Author Harris F Allen has spent countless hours attempting to answer his own questions He has a few tools including much science and Bible in his college studies Always an active overachiever Allen has become deaf and partially disabled That left far more time and greater opportunity than he could ever imagine Having a history of regular church attendance from his early youth the author received a reasonable background but always had some unanswered questions So in pharmacy school in a Baptist college he excelled in New and Old Testament studies Chemistry and science of various sorts were the main topics of study and by adding Bible that is an ideal mix for this discussion Allen will present his findings from both a scientific view and a Biblical understanding He will explain what he found about difficult verses and some parts of the Bible that seem at times to be in conflict He will also discuss the physics biochemistry and other dynamics that could be involved in such a worldwide flood Regardless of science or Biblical belief the flood did occur at about the time the Bible said it did

The Old Testament: An Introduction to the

Hebrew Bible Stephen Harris, Stephen L. Harris, Robert Platzner, 2007-09-11 Designed for students undertaking their first systematic study of the Hebrew Bible this text has two goals to acquaint readers with the content and major themes of the biblical documents and to introduce them to issues in biblical scholarship Pedagogically rich and reader friendly this text was designed for conventional introductory courses using historical critical methodology and will also be useful in courses studying the Bible as literature or as a reference text in the study of ancient religion

Transforming Graduate Biblical Education Elisabeth Schüssler Fiorenza, Kent Harold Richards, 2010 This unique collection of essays originating in seminars held at SBL's Annual and International Meetings explores the current ethos and discipline of graduate biblical education from different social locations and academic contexts It includes international voices of well established scholars who have urged change for some time alongside younger scholars with new perspectives The individual contributions emerge from a variegated set of experiences in graduate biblical studies and a critical analysis of those experiences The volume is divided into four areas of investigation The first section discusses the ethos of biblical studies and social location and the second explores different cultural national formations of the discipline The third section considers the experiences and visions of graduate biblical studies while the last section explores how to transform the discipline All the contributions offer ways to transform graduate biblical education so that it becomes a socializing power that in turn can transform the present academic ethos of biblical studies Back cover

The Bible as Political Artifact Susanne Scholz, 2017-10-15 Biblical studies and the teaching of biblical studies are clearly changing though it is less clear what the changes mean and how we should evaluate them Susanne Scholz casts a feminist eye on the politics of pedagogy higher education and wider society decrypting important developments in the architecture of educational power She also examines how the increasingly intercultural interreligious and diasporic dynamics in society inform the hermeneutical and methodological possibilities for biblical exegesis Taken as a whole the fourteen chapters demonstrate that the foregrounding of gender placed into its intersectional contexts offers intriguing and valuable alternative ways of seeing the world and the Bible's place in it

Discovering World Religions at 24 Frames Per Second Julien R. Fielding, 2008-09-26 Traditionally university students have gained access to world religions by reading primary texts Discovering World Religions at 24 Frames Per Second takes students beyond the written page offering an exploration of the same religious traditions through the study of feature films The many definitions of religion are examined along with its various components including doctrine myth ethics ritual and symbol Specific religious traditions including Hinduism Sikhism Zoroastrianism Buddhism Confucianism Daoism popular religion and Shinto are examined Biographical sketches of directors whose films tend to focus on a particular religious tradition are also included such as Zhang Yimou Hayao Miyazaki Deepa Mehta and Akira Kurosawa Discovering World Religions at 24 Frames Per Second is unique in the area of religion and film studies in that it isn't just a collection of essays Instead it provides the introductory student with the necessary background information on the various religions before looking at how their ideas

can be understood not through texts but through the cinematic medium To keep the conversation fresh most of the films used in the book were made within the last decade Furthermore examples range from popular mainstream fare such as Star Wars and the Lord of the Rings trilogy to lesser known foreign films such as The Wooden Man s Bride and The Great Yokai War Several films with a cult like following are also discussed including Fight Club Princess Mononoke Spirited Away and Jacob s Ladder This book is also unique in that instead of drawing upon the Judeo Christian tradition it draws from Eastern traditions

The Bible Bruce Gordon, 2024-09-17 A wonderful highly comprehensive John Barton author of A History of the Bible global history of the world s best known and most influential book For Christians the Bible is a book inspired by God Its eternal words are transmitted across the world by fallible human hands Following Jesus s departing instruction to go out into the world the Bible has been a book in motion from its very beginnings and every community it has encountered has read heard and seen the Bible through its own language and culture In *The Bible* Bruce Gordon tells the astounding story of the Bible s journey around the globe and across more than two thousand years showing how it has shaped and been shaped by changing beliefs and believers radically different needs The Bible has been a tool for violence and oppression and it has expressed hopes for liberation God speaks with one voice but the people who receive it are scattered and divided found in desert monasteries and Chinese house churches in Byzantine cathedrals and Guatemalan villages Breathtakingly global in scope *The Bible* tells the story of this sacred book through the stories of its many and diverse human encounters revealing not a static text but a living dynamic cultural force

Understanding The Bible Harris Introduction

In the digital age, access to information has become easier than ever before. The ability to download Understanding The Bible Harris has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Understanding The Bible Harris has opened up a world of possibilities. Downloading Understanding The Bible Harris provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Understanding The Bible Harris has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Understanding The Bible Harris. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Understanding The Bible Harris. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Understanding The Bible Harris, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Understanding The Bible Harris has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and

book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
