Uniforms Of The German Colonial Troops 1884 1918:

Uniforms of the German Colonial Troops, 1884-1918 Charles Woolley, 2009 The Schutztruppen the Expedition Korps and III See Bataillon of the Imperial German Marines were the forces assigned to protect Germanys far flung Colonial possessions in Africa and China Uniform students and modelers have found scant published references to the varied and unique uniforms of these forces This highly illustrated book fills that gap Color illustrations by Germanys leading 19th and 20th century artists black and white drawings taken from rare period books plus over sixty unpublished quality photographs from the album of a III See Bataillon Marine stationed at the great German Naval base at Tsingtau China cover in detail the unusual uniforms of the Kaisers Colonial forces A must for the Imperial German bookshelf **Imperial German Colonial and Overseas Troops 1885-1918** Alejandro de Quesada, Chris Dale, 2013-08-20 Germany s 30 year colonial episode in Africa the Pacific and her enclave in China is a relatively unexplored aspect of the country s history Under the young Kaiser Wilhelm II rivalry with the old colonial powers saw the protectorates originally established by trading companies transformed into crown colonies garrisoned by the newly raised Schutztruppe with support from the Imperial Navy s Seebataillone This book explains the organization and the operations in these colonies including an account of the Herero campaign in Southwest Africa Illustrated with rare photos and with color plates detailing the uniforms of German and native troops alike this is an authoritative description of the garrisons manning the German colonies **The German Colonial Troops from 1889 to 1918** Jürgen Kraus, Thomas Müller, 2009 *Colonial Armies in Africa, 1850-1918* Peter Abbott, 2006 In the second half of the 19th century European led columns began to fan out across the African continent from their coastal footholds smashing whatever forces could be brought against them no matter how brave or determined the latter were The process began at different dates in different parts of the continent but much of the main activity was concentrated into the two decades between 1881 and 1902 subsequently but accurately nicknamed the Scramble for Africa By 1914 the Europeans had overrun the greater part of the continent and remarkably had managed to do so without clashing with each other in the process conflict between them only occurred after 1914 because what was essentially a European power struggle was inevitably projected on to the African landscape The armies responsible for this extraordinary period of expansion have seldom been surveyed as a whole and never in the organisational detail attempted here As well as including an outline of the principal campaigns of the period military historian Peter Abbott examines in detail the structure dress and armament of the colonial armies fielded by the Congo Free State the Belgian Congo Great Britain France Germany Italy Portugal and Spain and includes in his text an unprecedented amount of order of battle material Illustrations include 229 drawings of soldiers 58 other illustrations and two maps *Historical Abstracts* ,1994 Vols 17 18 cover 1775 1914 **MILITARY UNIFORMS IN EUROPE 1900 - 2000 Volume One** R Spencer Kidd, 2013-10-01 This book Volume One gives an historical overview of 36 countries whose armed forces served in Europe 1900 2000 together with uniform descriptions Includes 200 full colour

paintings of the regular armies marines airforce and para military troops engaged in land exercises operations and warfare in Europe including non European troops serving in Europe Each entry is accompanied by a history and description of the uniforms illustrated The author and illustrator Ron Kidd has been interested in both police and military history uniforms and insignia since he was a school boy in the 1950 s He has visited over 300 police and military museums world wide and has written and illustrated a number of magazine articles on both police and military history and uniforms He is a member of both the Military Heraldry Society and the Military Historical Society It is anticipated that Volume Two will be published in 2013

Modern Genocide Paul R. Bartrop, Steven Leonard Jacobs, 2014-12-17 This massive four volume work provides students with a close examination of 10 modern genocides enhanced by documents and introductions that provide additional historical and contemporary context for learning about and understanding these tragic events Modern Genocide The Definitive Resource and Document Collection spans nearly 1 700 pages presented in four volumes and includes more than 120 primary source documents making it ideal for high school and beginning college students studying modern genocide as part of a larger world history curriculum The coverage for each modern genocide from Herero to Darfur begins with an introductory essay that helps students conceptualize the conflict within an international context and enables them to better understand the complex role genocide has played in the modern world There are hundreds of entries on atrocities organizations individuals and other aspects of genocide each written to serve as a springboard to meaningful discussion and further research The coverage of each genocide includes an introductory overview an explanation of the causes consequences perpetrators victims and bystanders the international reaction a timeline of events an Analyze section that poses tough questions for readers to consider and provides scholarly pro and con responses to these historical conundrums and reference entries This integrated examination of genocides occurring in the modern era not only presents an unprecedented research tool on the subject but also challenges the readers to go back and examine other events historically and consequently consider important questions about human society in the present and the future

Germany's Genocide of the Herero Jeremy Sarkin, Jeremy Sarkin-Hughes, 2011 In 1904 the indigenous Herero people of German South West Africa now Namibia rebelled against their German occupiers In the following four years the German army retaliated killing between 60 000 and 100 000 Herero people one of the worst atrocities ever The history of the Herero genocide remains a key issue for many around the world partly because the German policy not to pay reparations for the Namibian genocide contrasts with its long standing Holocaust reparations policy The Herero case bears not only on transitional justice issues throughout Africa but also on legal issues elsewhere in the world where reparations for colonial injustices have been called for The book argues that the Herero genocide was linked to Germany s late entry into the colonial race which led it frenetically and ruthlessly to acquire multiple colonies all over the world within a very short period using any means available
