Dowell, 2011 In this book the many challenges of Borderline Personality Disorder BPD are explored through the stories of a fictional married couple Although they are products of author Marilyn Dowell s mind their behavior is based on careful research In each chapter some facet of BPD is acted out in an informative way for those who have little experience with the disorder Beyond showing the typical features of BPD **Compassion for Annie** offers insights for responding to the sufferer in a compassionate manner In addition to the dialogues Dowell includes an analysis of the interaction a prayer specific to the chapter topic and a list of suggested readings Dowell wrote this book as a means of understanding a loved one with the disorder while helping others **Compassion for Annie** is intended for those with the disorder and those who love them **The Publishers Weekly** ,2008 *Book Review Index - 2009 Cumulation* Dana Ferguson, 2009-08 *Book Review Index* provides quick access to reviews of books periodicals books on
