Technology has become a driving force of innovation in every industry and professionals need to strengthen their proficiency in emerging technologies to remain competitive. Today's working world is very demanding of young professionals as recent graduates are expected to come into their chosen field both knowledgeable and ready to hit the ground running with minimal on the job training. Computer Mediated Learning for Workforce Development delivers crucial knowledge on how to prepare twenty-first century students for today's fast-paced workforce. This book explores the use of multimedia programs in classrooms to train students on necessary technology skills through techniques such as game-based training, curriculums, and massive open online courses (MOOCs). This publication also touches on computer-mediated youth civic action and interaction by examining the use of social media during the Arab Spring, Occupy Wall Street, and Black Lives Matter movements. Filled with critical information on educational technology, mobile learning, and employment preparation, this book is a vital resource for academicians, education practitioners, school administrators, and advanced-level students. The People, the Land, and the Future of Israel Darrell L. Bock, 2014-09-10. What does the Bible teach about the role of the Jewish people and the nation of Israel today? What is God's plan for the future of Israel and the neighboring countries? How can believers in Jesus be part of God's peace process in the Middle East? *The People, the Land, and the Future of Israel* walks through the Bible's account of the role of Israel and the Jewish people both now and in the future. Each contributor offers a profound insight into God's unfolding plan and purpose for the nation of Israel as the Scripture depicts them. Readers will gain a deeper understanding of both current and future events in the Middle East as described in both the Hebrew Scriptures and the New Testament. Features an extensive foreword by best-selling author Joel Rosenberg who addresses the question: Will there ever be peace for Israel and her neighbors? Each chapter includes a scannable QR code that links to a short video introduction by the author of that chapter introducing its topic. Discussion questions in each chapter aid book group and classroom discussion.
