

The background of the image is a soft, golden-hued landscape. In the foreground, there is a wooden fence with several vertical posts and two horizontal rails. The fence is slightly out of focus. To the left, there are green leaves and branches, possibly from a tree or bush, framing the top left corner. The overall atmosphere is misty and serene, with a warm, golden light that suggests early morning or late afternoon. The text is centered in the upper half of the image.

Waiting On God Daily Messages For A Month:

Waiting on God Andrew Murray, 2014-11-21 In this beloved classic devotional by Andrew Murray he introduces the idea that each of us needs more of God and to wait on him These daily devotionals provide important spiritual insights into how we can practically wait on God Waiting On God will be sure to inspire and challenge you to draw closer to God as you understand him better In just a few minutes each day you will be encouraged in your walk of faith as you continue daily Waiting on God

Waiting on God with Daily Messages for a Month Andrew Murray, 2016-08-07 Previous to my leaving for England last year I had been much impressed by the thought of how in all our religion personal and public we need more of God I had felt that we needed to train our people in their worship more to wait on God and to make the cultivation of a deeper sense of His presence of more direct contact with Him of entire dependence on Him a definite aim of our ministry At a welcome breakfast in Exeter Hall I gave very simple expression to this thought in connection with all our religious work I have already said elsewhere that I was surprised at the response the sentiment met with I saw that God's Spirit had been working the same desire in many hearts The experiences of the past year both personal and public have greatly deepened the conviction It is as if I myself am only beginning to see the deepest truth concerning God and our relation to Him center in this waiting on God and how very little in our life and work we have been surrounded by its spirit The following pages are the outcome of my conviction and of the desire to direct the attention of all God's people to the one great remedy for all our needs More than half the pieces were written on board ship I fear they bear the marks of being somewhat crude and hasty I have felt in looking them over as if I could wish to write them over again But this I cannot now do And so I send them out with the prayer that He who loves to use the feeble may give His blessing with them

Waiting Isn't a Waste Mark Vroegop, 2024-06-04 Exploring 6 Characteristics of Waiting to Prompt Wisdom from God and Gain Invaluable Peace Throughout our lives we experience countless periods of waiting Some moments are mere nuisances others are daunting seasons filled with intense worry and doubt We grow impatient by immovable traffic or crave an impending answer to a medical condition Whatever our current circumstances our innate response is to take action rather than stay still In *Waiting Isn't a Waste* author Mark Vroegop calls believers to resist the human urge for control and lean on Christ for comfort while we wait for the uncertainties of life to unfold Vroegop explores what it means to wait on God through 6 important characteristics waiting is hard common biblical slow commanded and relational This book not only teaches readers how to wait on God but inspires them to embrace waiting

for it prompts wisdom from God and brings invaluable peace to the present Written for Christians in Seasons of Waiting Those struggling with anxiety discouragement or weariness as they wait Explores 6 Characteristics of Waiting Waiting is hard common biblical slow commanded and relational Written by Mark Vroegop Author of Dark Clouds Deep Mercy which was named the ECPA 2020 Christian Book of the Year On Waiting Well Bradley Baurain, 2020-07-07 Why Does God Make Us Wait And Wait And Wait In a fast paced society we don't like waiting for anything Drive throughs and microwaves expedite dinner while texting and email afford instantaneous communication Because we're conditioned to expect instant gratification we're startled even frustrated when we have to wait And perhaps we become spiritually frustrated doubting our faith when we find ourselves waiting on God Bradley Baurain invites Christians to reject how society has conditioned us to view waiting especially when it comes to knowing God On Waiting Well identifies the experience of waiting as a crucial dimension to loving God having faith and following Christ Your time doesn't have to become passive purposeless or tedious when God seems to be absent or moving slowly Instead discover how waiting is actually integral to God's plans of life and salvation When we gain that perspective these seemingly dry times of waiting become invigorating opportunities to strengthen our hope in God and see that He is always faithful **Money: Thoughts for God's Stewards by Andrew**
