Western Esotericism A Guide For The Perplexed Guides For The Perplexed:

Western Esotericism: A Guide for the Perplexed Wouter J. Hanegraaff, 2013-02-14 Western esotericism has been a pervasive presence in Western culture from late antiquity to the present day but until recently it was largely ignored by scholars and surrounded by misconceptions and prejudice This accessible guide provides readers with the basic knowledge and tools that will allow them to find their way in this bewildering but fascinating field What is it that unites phenomena as diverse as ancient gnosticism and hermetism the occult sciences of astrology alchemy and magic rosicrucianism as well as Christian theosophy occultism spiritualism and the contemporary New Age spiritualities What can the study of them teach us about our common cultural and intellectual heritage and what is it that makes them relevant to contemporary concerns How do we distinguish reliable historical knowledge from legends and fictions about esoteric traditions These and many other questions are answered clearly and succinctly so that the reader can find his way into the labyrinth of Western esotericism and out of it again **Modern Hermeticism** Erich Brown, Alannah Brown, 2025-05-08 Awaken the Divinity Within You It s time to claim your inner power and become the best version of yourself with this accessible introduction to the secrets of Hermeticism Erich and Alannah Brown guide you through historical and modern magical concepts such as the Tree of Life sigils and godforms and they present easy to digest chapters with extensive techniques and illustrations Explore more than thirty rituals exercises and practices including The Qabalistic Cross Elemental Meditations Scrying The Rose Ankh Vortex The Greater Ritual of the Pentagram The Pyramid of Power The Gate of Transformation Erich and Alannah show you how to use ceremonial magic to access the knowledge personal power and freedom that is your birthright **The Spirit of Socialism** Joseph Kellner, 2025-06-15 The Spirit of Socialism is a cultural history of the Soviet collapse It examines the millions of Soviet people who during the cascading crises of the collapse and the post Soviet transition embarked on a spirited and highly visible search for new meaning Amid profound disorientation these seekers found direction in their horoscopes or behind gurus in saffron robes or apocalyptic preachers or by turning from the most basic premises of official science and history to orient themselves anew The beliefs they seized on and even more the questions that guided their search reveal the essence of late Soviet culture and its legacy in post Soviet Russia To skeptical outsiders the seekers appeared eccentric deviant and above all un Soviet Yet they came to their ideas by Soviet sources and Soviet premises As Joseph Kellner demonstrates their motley beliefs reflect modern values that formed the spiritual core of Soviet ideology among them a high regard for science an informed and generous internationalism and a confidence in humanity to chart its own course Soviet ideology failed however to unite these values in an overarching vision that could withstand historical change And so as The Spirit of Socialism shows the seekers asked questions raised but not resolved by the Russian Revolution and subsequent Soviet order questions of epistemic authority of cultural identity and of history s ultimate meaning Although the Soviet collapse was not the end of history it was a rupture of epochal significance whose fissures extend into our own uncertain era *Real Magic*

Dean Radin, PhD, 2018-04-10 The chief scientist at the Institute of Noetic Sciences IONS turns a critical eye toward such practices as telepathy clairvoyance precognition and psychokinesis Are such powers really possible Science says yes According to noted scientist and bestselling author of The Conscious Universe Dean Radin magic is a natural aspect of reality and each of us can tap into this power with diligent practice But wait aren't things like ESP and telepathy just wishful thinking and flights of the imagination Not according to the author who worked on the US government's top secret psychic espionage program known as Stargate Radin has spent the last forty years conducting controlled experiments that demonstrate that thoughts are things that we can sense others emotions and intentions from a distance that intuition is more powerful than we thought and that we can tap into the power of intention think The Secret only on a more realistic and scientific level These dormant powers can help us to lead more interesting and fulfilling lives Beginning with a brief history of magic over the centuries what was called magic two thousand years ago is turning out to be scientific fact today a review of the scientific evidence for magic a series of simple but effective magical techniques the key is mental focus something elite athletes know a lot about Radin then offers a vision of a scientifically informed magic and explains why magic will play a key role in frontiers of science

The Routledge Handbook of Religion and Secrecy Hugh B. Urban, Paul Christopher Johnson, 2022-03-29 Secrecy is a central and integral component of all religious traditions Not limited simply to religious groups that engage in clandestine activities such as hidden rites of initiation or terrorism secrecy is inherent in the very fabric of religion itself Its importance has perhaps never been more acutely relevant than in our own historical moment In the wake of 9 11 and other acts of religious violence we see the rise of invasive national security states that target religious minorities and pose profound challenges to the ideals of privacy and religious freedom accompanied by the resistance by many communities to such efforts As such questions of secrecy privacy surveillance and security are among the most central and contested issues of twenty first century religious life The Routledge Handbook of Religion and Secrecy is the definitive reference source for the key topics problems and debates in this crucial field and is the first collection of its kind Comprising twenty nine chapters by a team of international contributors the Handbook is divided into five parts Configurations of Religious Secrecy Conceptual and Comparative Frameworks Secrecy as Religious Practice Secrecy and the Politics of the Present Secrecy and Social Resistance Secrecy Terrorism and Surveillance This cutting edge volume discusses secrecy in relation to major categories of religious experience and individual religious practices while also examining the transformations of secrecy in the modern period including the rise of fraternal orders the ongoing wars on terror the rise of far right white supremacist groups increasing concerns over religious freedom and privacy the role of the internet in the spread and surveillance of such groups and the resistance to surveillance by many indigenous and diasporic communities The Routledge Handbook of Religion and Secrecy is essential reading for students and researchers in religious studies comparative religion new religious movements and religion and politics It will be equally central to debates in the related
