While use of Form WH-347 itself is optional, covered contractors and subcontractors performing work on Federal or Federally assisted construction (or contracts are required by the DBRA regulations and the contract clauses to submit payroll information on a weekly basis. The Copeland Act (40 U.S.C. § 3145) requires contractors and subcontractors performing work on Federal or Federally financed construction contracts to, on a weekly basis, "furnish a statement on the wages paid each employee during the prior week." U.S. Department of Labor (DOL) Regulations at 29 C.F.R. § 5.5(a)(3)(ii) requires contractors and subcontractors to submit weekly certified payrolls to the appropriate Federal agency if the agency is a party to the contract but, if the agency is not such a party, to the applicant, sponsor, owner, or other entity, as the case may be. That regulation sets forth minimum requirements for these records. For transmission to the Federal agency, Each certified payroll must be accompanied by a signed "Statement of Compliance" (e.g., page 2 of the WH-347 or another document with identical wording) indicating that the certified payrolls are accurate and complete, and that each laborer or mechanic has been paid not less than the required Davis-Bacon prevailing wage rates (including any fringe benefits) for the work performed. DOL and contracting agencies reviewing this information review the information to determine whether workers have received legally required wages and fringe benefits.
