Sihe,2023-09-19 Exploring the creations of Ba Jin 1904 2005 one of the most significant writers in modern China this edited volume offers in depth discussions of the writer and his works from a global perspective to initiate and advance dialogues between the Chinese and English speaking scholarly communities The four sections of the book provide readers with a detailed biography and an overview of research on Ba Jin since the 1980s to reflect on the academic achievements of several generations in China In addition it includes a selected collection of articles from Korean German and French scholars These articles cover Ba Jin s life thoughts personality literary creation editing publishing and other aspects of the research This companion aims to provide an alternative lens for Chinese literature studies in a global context It will be an essential read to students and scholars of East Asian studies Chinese studies and those interested in modern Chinese literature **Love, Anarchy, & Emma Goldman** Candace Falk,2019-06-27 More than an account of Emma Goldman s legendary career as a political activist this biography offers an intimate look into her tumultuous affair with Chicago activist and red light district gynecologist Ben Reitman As it charts her twin passions for Reitman and for social reform it provides new insights into a brilliant complex woman *Emma Goldman* Kathy E. Ferguson,2011-04-16 Emma Goldman has often been read for her colorful life story her lively if troubled sex life and her wide ranging political activism Few have taken her seriously as a political thinker even though in her lifetime she was a vigorous public intellectual within a global network of progressive politics Engaging Goldman as a political thinker allows us to rethink the common dualism between theory and practice scrutinize stereotypes of anarchism by placing Goldman within a fuller historical context recognize the remarkable contributions of anarchism in creating public life and open up contemporary politics to the possibilities of transformative feminism The Debates of Liberty Wendy McElroy,2003-01-01 Wendy McElroy provides a comprehensive examination of one of the most remarkable and influential political phenomena in America the anarchist periodical Liberty and the circle of radicals who surrounded it *The Routledge Handbook of Anarchy and Anarchist Thought* Gary Chartier,Chad Van Schoelandt,2020-12-30 This Handbook offers an authoritative up to date introduction to the rich scholarly conversation about anarchy about the possibility dynamics and appeal of social order without the state Drawing on resources from philosophy economics law history politics and religious studies it is designed to deepen understanding of anarchy and the development of anarchist ideas at a time when those ideas have attracted increasing attention The popular identification of anarchy with chaos makes sophisticated interpretations which recognize anarchy as a kind of social order rather than an alternative to it especially interesting Strong centralized governments have struggled to quell popular frustration even as doubts have continued to percolate about their legitimacy and long term financial stability Since the emergence of the modern state concerns like these have driven scholars to wonder whether societies could flourish while abandoning monopolistic governance entirely Standard treatments of political philosophy frequently assume the justifiability and desirability of states focusing on such questions as What is the best kind of state and What laws and policies should states adopt without

considering whether it is just or prudent for states to do anything at all This Handbook encourages engagement with a provocative alternative that casts more conventional views in stark relief Its 30 chapters written specifically for this volume by an international team of leading scholars are organized into four main parts I Concept and Significance II Figures and Traditions III Legitimacy and Order IV Critique and Alternatives In addition a comprehensive index makes the volume easy to navigate and an annotated bibliography points readers to the most promising avenues of future research *Catalog of Copyright Entries.
