What Is The Process Of Succession Apex:

Taxonomy of Fungi Imperfecti Bryce Kendrick, 1971-12-15 Mycologists have been searching for a better system of classification of Fungi Imperfecti than that based on mature morphology This volume documents an intensive phase of that search It is largely an account of the proceedings of the First International Specialists Workshop Conference on Criteria and Terminology in the Classification of Fungi Imperfecti held at the Environmental Sciences Centre of the University of Calgary Kananaskis Alberta The invited contributors all mycologists of international reputation have had long experience with Fungi Imperfecti The first fifteen chapters follow the course of the conference they reproduce the formal papers and the lively discussion which followed Chapter 16 describes a new experimental scheme of classification distilled from the conclusions reached at Kananaskis Four chapters concerned with the application of this scheme and with a variety of techniques now being used to extend knowledge of the Fungi Imperfecti round out the volume The text is illustrated throughout with numerous photographs and drawings In editing the volume Professor Kendrick has given the text continuity by inserting short linking passages The result is a readable and very informative account which conveys the unique atmosphere of this important conference
