

WAGING PEACE

THE ART OF WAR FOR THE ANTIWAR MOVEMENT

SCOTT RITTER

Waging Peace The Art Of War For The Antiwar Movement

Scott Ritter

Waging Peace The Art Of War For The Antiwar Movement:

Waging Peace Scott Ritter, 2007-04-25 Scott Ritter former Marine and UN weapons inspector argues that there is a growing despondency amongst the anti war movement Ritter proposes the anti war movement seek guidance from sources they normally spurn that one must study the enemy in order to learn the art of campaigning and of waging battles when necessary They need to understand the pro war movement s decision making cycle then undertake a comprehensive course of action

Peace and Conflict Studies David P. Barash, Charles P. Webel, 2008-07-10 Thoroughly revised the Second Edition of Peace and Conflict Studies sets the new gold standard as an accessible introduction and comprehensive exploration of this vital subject The authors share their vast knowledge and analysis about 21st century world events including new coverage on timely topics such as terrorism the truth and reconciliation process and the clash of civilizations With an encyclopedic scope this introductory text chronicles a plethora of important global topics from pre history to the present Key Features of the Second Edition Includes updated chapters and examines current conflicts including the Iraq War Explores the important aspects of positive peace individual violence nationalism and terrorism Provides numerous visual aids questions for further study and suggested readings Furnishes a comprehensive range of material to enlighten and enrich future discussion and encourage further academic pursuit Intended Audience This text is invaluable for students and professors in peace and or conflict studies psychology and or the sociology of peace and conflict studies international relations comparative politics history and others interested in gaining a solid foundation about the global arena Praise for the First Edition Barash and Webel have penned a masterpiece that should appeal to seasoned scholars of peace and conflict studies as well as to others who have little knowledge of this multidisciplinary field Daniel J Christie Ohio State University

Globalizing Resistance against War Tiina Seppälä, 2012-03-15 The political revival of the anti war movement after 9 11 launched a controversial debate on global resistance Through detailed study of the anti war movement in Britain this book critically evaluates the theoretical debate from the perspective of critical theory in political practice This book presents new arguments and theoretical framework to consider globalized resistance to war In an attempt to develop the theoretical debate further this book analyses two strands of current thought liberal cosmopolitanism which considers the movement a consensual force of opposition against war in the form of global civil society and radical poststructuralism which speaks of the Multitude s war against war Including detailed empirical case study of four anti war organizations the Stop the War Coalition the Campaign for Nuclear Disarmament Globalise Resistance and War Resisters International the author illustrates the limitations of the abstract nature of current theorizing and highlights the need for theory to be more engaged with political practice While revealing tensions and conflicts within the new anti war movement the study not only underlines the need to critically analyse the dominant theoretical discourses but also suggests that the movement would benefit from a more open discussion about the complex relationship between unity and diversity Globalizing Resistance against War is invaluable

reading for students and scholars of International Sociology International Relations War and Peace Studies International Theory and Political Theory **Handbook on Building Cultures of Peace** Joseph de Rivera,2008-11-28 Mediation and negotiation personal transformation non violent struggle in the community and the world these behaviors and their underlying values underpin the United Nations definition of a culture of peace and are crucial to the creation of such a culture The Handbook on Building Cultures of Peace addresses this complex and daunting task by presenting an accessible blueprint for this development Its perspectives are international and interdisciplinary involving the developing as well as the developed world with illustrations of states and citizens using peace based values to create progress on the individual community national and global levels The result is both realistic and visionary a prescription for a secure future

Kingdom to Commune Patricia Appelbaum,2009-03-01 American religious pacifism is usually explained in terms of its practitioners ethical and philosophical commitments Patricia Appelbaum argues that Protestant pacifism which constituted the religious center of the large scale peace movement in the United States after World War I is best understood as a culture that developed dynamically in the broader context of American religious historical and social currents Exploring piety practice and material religion Appelbaum describes a surprisingly complex culture of Protestant pacifism expressed through social networks iconography vernacular theology individual spiritual practice storytelling identity rituals and cooperative living Between World War I and the Vietnam War she contends a paradigm shift took place in the Protestant pacifist movement Pacifism moved from a mainstream position to a sectarian and marginal one from an embrace of modernity to skepticism about it and from a Christian center to a purely pacifist one with an informal flexible theology The book begins and ends with biographical profiles of two very different pacifists Harold Gray and Marjorie Swann Their stories distill the changing religious culture of American pacifism revealed in Kingdom to Commune **Kingdom to Commune** Patricia

Faith Appelbaum,2009 Kingdom to Commune Protestant Pacifist Culture between World War I and the Vietnam Era The Publishers Weekly ,2007 *Foreign Affairs Pakistan* ,2007-10 **Dissent from War** Robert L. Ivie,2007 The rhetorical presumption of war s necessity makes violence regrettable but seemingly sane and functions to shame anyone who opposes military action Ivie proposes that the presence of dissent is actually a healthy sign of democratic citizenship and a responsible and productive act which has been dangerously miscast as a threat to national security Ivie a former US Navy petty officer puts a microscope to the language of war supporters throughout history and follows the lives and memories of soldiers and anti war activists who have dealt with degrees of confusion and guilt about their opposition to war Arguing that informed dissent plays out largely in the realm of rhetoric he equips readers with strategies for resisting the dehumanizing language used in war propaganda Through his careful study of language strategies he makes it possible to foster a community where dissenting voices are valued and vital *Art Against War* D. J. R. Bruckner,Seymour Chwast,Steven Heller,1984 **From Cultures of War to Cultures of Peace** Takashi Yoshida,2014 Takashi Yoshida provides a historical

analysis of war and peace museums from the late nineteenth century to the present and traces the historical development of a pacifist discourse in postwar Japan that centered on Japan's war crimes and responsibility during the so called Fifteen Year War which began in 1931 with Japan's invasion of Manchuria and ended in 1945 with the nation's defeat Prior to the defeat a culture of war gripped the Japanese empire Every segment of Japanese popular culture during the war bore witness to the flood of patriotism In this book Yoshida attempts to demonstrate that the acceptance of Japanese wartime aggression and atrocities as historical facts remains evident to this day in the culture of peace museums in Japan Those who have little knowledge of contemporary Japan often hastily conclude that the Japanese have been united and monolithic in the way they feel the war should be remembered This book seeks to challenge that assumption
