Walking the California Coast John McKinney, 1994 **Bulletin of the Cooper Ornithological Club of California** ,1918 *London and Its Environs* Karl Baedeker (Firm), 1915 Walks & Hikes in the Foothills & Lowlands Around Puget Sound Harvey Manning, Penny Manning, 1995 The best country and city hikes between Everett and Tacoma Walking Santa Barbara John McKinney, 1994 The Condor ,1918 Auto Motor Journal Stanley Spooner, 1908 Walking in and Around Slough Stuart Montgomery, 2015-10-20 This book describes a series of walks in and around the borough of Slough in south east England In spite of the town s generally unromantic reputation good walking routes do exist and some of them are surprisingly attractive in places at least The book aims to introduce them not only to regular walkers but also to people who

have never tucked trouser into sock or thermos into backpack The routes are mainly themed around different aspects of local history or culture and reflect an eclectic and unstuffy attitude toward heritage So while there is space for apparently venerable stuff like castles churches and old or even olde pubs the themes also include puppet TV shows grimy waterways brick making yards eccentric pagan people posh schools prostitutes and punk rock writers The author has lived in the town for 25 years and used to run a travel company that sent groups of walkers to many attractive destinations in Europe though not to Slough itself
