William S. Jarrett

Walther Ppk 32 Users Manual:

Handbook of Handguns Jeffrey Strickland, 2013-04-25 In light of the 2nd Amendment debates shooting may become the national passtime To act responsibly within the 2nd Amendment means knowing how to properly bear arms Knowing involves understanding firearm types firearm operation ammunition internal ballistics and shooting These require training especially shooting Whether you own or plan to own a handgun for recreation competition or self defense training is of the utmost importance When you fire a projectile bullet from a firearm you are responsible for where it goes You need to understand how fast it travels how far it can travel and how accurate your firearm is in delivering the projectile to your intended target Yes bearing arms is a right but not one to be taken lightly Firing a handgun is a grave responsibility and must be done correctly and with a full understanding of all the components that make up shooting

The Theatrical Firearms

Handbook Kevin Inouye, 2014-05-30 The Theatrical Firearms Handbook is the essential guide to navigating the many decisions that are involved in the safe and effective use of firearm props for both the stage and screen This book establishes baseline safety protocol while empowering performers and designers to tell their story of conflict in a way that makes the most of both established convention and current tools of the trade Within these pages are practical instruction couched in the language of theatre and film making firearms technology and concepts approachable to dramatic artists without any dumbing down of the subject material It contains over 100 illustrations This handbook is equally at home within the worlds of academic training professional performance and independent or community theatre and video productions and is an invaluable resource for fight choreographers props designers backstage crew directors actors stage managers and more at all levels of experience
