West Indies Spanish Classic Reprint:

The West Indies and the Spanish Main (Classic Reprint) James Rodway, 2018-03-09 Excerpt from The West Indies and the Spanish Main The treasures of the Indies made Spain the greatest nation in Europe With her riches she could do almost anything Other nations bowed down before her and she became sovereign of the seas and mistress of the world NO matter how it was Obtained gold and Silver owed into her coffers what did she care that it was obtained by the bloody sweat of the poor Indians About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Mutiny on the Spanish Main Angus Konstam, 2020-10-29 A vivid account of a forgotten chapter of British naval history Dan Snow Historian TV Presenter and Broadcaster The true story of one of the most notorious mutinies in naval history which provided inspiration for Patrick O Brian s Aubrey Maturin and C S Forester s Hornblower novels In 1797 the 32 gun Royal Navy frigate HMS Hermione was serving in the Caribbean at the forefront of Britain s bitter sea war against Spain and Revolutionary France Its commander the sadistic and mercurial Captain Hugh Pigot ruled through terror flogging his men mercilessly and pushing them beyond the limits of human endurance On the night of 21 September 1797 past breaking point and drunk on stolen rum the crew rebelled slaughtering Pigot and nine of his officers in the bloodiest mutiny in the history of the Royal Navy Handing the ship over to the Spanish the crew fled sparking a manhunt that would last a decade Seeking to wipe clean this stain on its name the Royal Navy pursued the traitorous mutineers relentlessly hunting them across the globe and in 1801 seized the chance to recover its lost ship in one of the most daring raids of the Age of Fighting Sail Anchored in a heavily fortified Venezuelan harbour the Hermione now known as the Santa Cecilia was retaken in a bold night time action stolen out from under the Spanish guns Back in British hands the Hermione was renamed once more its new identity a stark warning to would be mutineers Retribution Drawing on letters reports ships logs and memoirs of the period as well as previously unpublished Spanish sources Angus Konstam intertwines extensive research with a fast paced but balanced account to create a fascinating retelling of one of the most notorious events in the history of the Royal Navy and its extraordinary wide ranging aftermath

The United States Catalog , 1928

The Spanish-American War and Philippine Insurrection, 1898-1902 Mark Barnes, 2010-09-13 An often overshadowed event in American military history the Spanish American War began as a humanitarian effort on the part of the United States to provide military assistance for the liberation of Cuba from Spanish domination At the time no one knew that this simple premise would result in an American empire Through extensive research Mark Barnes has created a comprehensive

annotated bibliography detailing this globally significant conflict and its aftermath Insightful notes are included for every title in each chronologically organized chapter By drawing together an impressive collection of sources including some previously not readily available to English language readers Barnes has created an invaluable resource for scholars of this conflict Routledge Research Guides to American Military Studies provide concise annotated bibliographies to the major areas and events in American military history With the inclusion of brief critical annotations after each entry the student and researcher can easily assess the utility of each bibliographic source and evaluate the abundance of resources available with ease and efficiency Comprehensive concise and current Routledge Research Guides to American Military Studies are an essential research tool for any historian **British Trade with Spanish America, 1763-1808** Adrian J. Pearce, 2014-03-27

In this erudite and comprehensive study Adrian Pearce offers a detailed survey of British trade with Spanish America in the latter half of the eighteenth century drawing together a variety of sources and looking at all aspects of commercial activity

Translation and the Spanish Empire in the Americas Roberto A. Valdeón, 2014-11-15 Two are the starting points of this book On the one hand the use of Doña Marina La Malinche as a symbol of the violation of the Americas by the Spanish conquerors as well as a metaphor of her treason to the Mexican people On the other the role of the translations of Bartolomé de las Casas's *Brevísima relación de la destrucción de las Indias* in the creation and expansion of the Spanish Black Legend The author aims to go beyond them by considering the role of translators and interpreters during the early colonial period in Spanish America and by looking at the translations of the Spanish chronicles as instrumental in the promotion of other European empires The book discusses literary religious and administrative documents and engages in a dialogue with other disciplines that can provide a more nuanced view of the role of translation and of the mediators during the controversial encounter clash between Europeans and Amerindians *Crusading in the West Indies (Classic Reprint)* W. F.

Jordan, 2018-01-13 Excerpt from *Crusading in the West Indies* More uniformity in Spanish language in America than in the home land Oldest Spanish colony in the New World Rough landing Plans up set by tropical storm Some customs Dominicans courteous more reverential than Cubans Workers kindly received Material development near Unique mission enterprise About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works Catalogue of the Books in the Library of the Institute of Jamaica Institute of Jamaica.
