CliffsNotes on Hinton's The Outsiders Janet

Clark, 2001-03-07 The original CliffsNotes study guides offer expert commentary on major themes, plots, characters, literary devices, and historical background. The latest generation of titles in this series also feature glossaries and visual elements that complement the classic familiar format. In CliffsNotes on The Outsiders you'll dig into a novel of the 1960s that is a story about teenagers written by a teenager. Ponyboy Curtis, a 14-year-old boy, struggles with right and wrong in a society within which he feels he is an outsider. He and his brothers, lower-class greasers, fight the Socs, the rich kids, for 14 days. Social issues gaining notice in the 60s—teen pregnancy, underage drinking, and violence—still find relevance among S.E. Hinton's readers today. This concise supplement to The Outsiders helps you understand the overall structure of the novel, actions, and motivations of the characters, and the social and cultural perspectives of the author. Features that help you study include: Chapter-by-chapter summaries and commentaries. Personal background of the author. A character map that graphically illustrates the relationships among the characters. Critical essays on the movie versus the book and how society has changed since the 1960s. A review section that tests your knowledge. Classic literature or modern-day treasure you'll understand it all with expert information and insight from CliffsNotes study guides.

Teaching Music History with Cases Sara

Haefeli, 2022-11-22 Teaching Music History with Cases introduces a pedagogical approach to music history instruction in university coursework. What constitutes a music historical case? How do we use them in the classroom? In business and the hard sciences, cases are problems that need solutions. In a field like music history, a case is not always a problem but often an exploration of a context or concept that inspires deep inquiry. Such cases are narratives of rich, complex moments in music history that inspire questions of similar or related moments. This book guides instructors through the process of designing a

curriculum based on case studies finding and writing case studies and guiding class discussions of cases Write First Ray Barker,Christine Moorcroft,2001 The Write First series has been developed to encourage confident writing in secondary schools meeting the need for effective literacy Each student book covers all aspects of writing skills in both fiction and non fiction text types giving particular attention to teaching the conventions of non literary text types *Rosicrucian Digest* ,1983 *Film Review* ,2005 A Short Guide to Writing about Film Timothy Corrigan,2004 This best selling text is a succinct guide to thinking critically and writing precisely about film With numerous student and professional examples along the way this engaging and practical guide progresses from taking notes and writing first drafts to creating polished essays and comprehensive research projects Moving from movie reviews to theoretical and critical essays the text demonstrates how an analysis of a film becomes more subtle and rigorous as part of a compositional process Both an introduction to film study and a practical writing guide this brief text introduces students to film terms and the major film theories to enable them to write more critically For individuals who want to think and write critically about film Curriculum Resources in Chicano Studies Gary D.
