What Grandmas Cant Do:

What Grandmas Can't Do Douglas Wood,2005-04-01 There are lots of things regular people can do but grandmas can't. Grandmas can't bake your favorite cookies by themselves. And sometimes they can't laugh without tears coming out of their eyes. Grandmas can't let you go to bed without reading you a story or six. But of all the many things grandmas can't do, there's one thing that they can't do best of all: they can't possibly love you more than they already do. **Something Musical**

Organized simply with a subject guide that categorizes subjects by theme and topic and subject headings arranged alphabetically this reference applies more than 1 200 intuitive as opposed to formal catalog subject terms to children's picture books making it both a comprehensive and user friendly resource that is accessible to parents and teachers as well as librarians. Serving Grandfamilies in Libraries Sarah Gough,Pat Feehan,Denise Lyons,2013-11-26 Gough Feehan and Lyons have taken everything learned from their research on developing GrandFamily Resource Collections and leading grandfamily programming in several states and put it in this easy to use guide. They share the successes and failures of existing programs so other librarians can hit the ground running rather than trudge through a time consuming and costly period of trial and error. It's a lot more efficient to learn from someone else's mistakes than to make your own. The target population: grandfamilies and most specifically grandparents raising grandchildren have become a statistically significant group worthy of attention in many communities but library practitioners may not have explored further due to a lack of resources and money. Special features include: List of Web resources government agencies support groups etc. List of grants and funding opportunities. Sample grant applications. List of possible community partners for the library. Sample surveys or some tactic for getting to know the needs of one's target population. Sample marketing plans. Sample promotional materials. Sample activity sheets. Sample release forms etc. With this practical and comprehensive guide your library will be ready to jumpstart or easily expand a stellar program for the grandfamilies in your community.
