Promises of God Edwin C. Kingsbury, 2009-09 Long ago when Israel had become aware of her unique history she began to collect and recount the saving acts of her God She concluded that God had chosen her and brought her from the lowest level of society through slavery into the Promised Land In the glorious days of Solomon she had the leisure to contemplate and to write down what her God had done for her She testified that her God was the God of promises who was faithful to his covenants The Promises of God beautifully and systematically records the responses from the leaders of this community of faith that were given to God s people Though their answers were far from unanimous they gave a guide to the generations of faithful people who have sought to live in covenant with their God in difficult times Due to the perilous times in which we live The Promises of God offers comfort as we consider the faithfulness of our great and holy God *Seeing the Face of God* Puttagunta Satyavani, 2014-09-14 The expression the face of God is a familiar one to Bible scholars and its meaning has long been a point of disagreement especially in its use with the verb to see While some scholars dismissed the expression as merely a metaphor with little significance others have compared it to the face of gods and goddesses of the ANE religious context where worshippers sought an audience with their divine king Scrutinising previous scholarship and based on careful

exegesis of several crucial passages in the Pentateuch this publication presents the motif seeing the face of God in an entirely new context of divine self revelation **The Effect of the Disruption on the Hebrew Thought of God** John Merlin Powis Smith, 1916 **Holiness** Matt Ayars, Christopher T. Bounds, Caleb T. Friedeman, 2023-10-17 The command to be holy is one of Christian life's most challenging and misunderstood commands Three scholars from the Wesleyan tradition constructively argue for a neo holiness that encourages the pursuit of Christian perfection while incorporating historic understandings of grace and the work of the Holy Spirit Tough Questions About God and His Actions in the Old Testament Walter Kaiser, 2015 Practical scriptural discussions of tough topics such as polygamy genocide and the role of women in the Old Testament The God of the Old Testament can seem very foreign to Christians His actions appear to starkly contrast with the God of grace in the New Testament and with modern notions of justice and propriety In this short volume Old Testament scholar Walter Kaiser devotes each chapter to a different difficult subject including creation the wrath of God the genocide of the Canaanites God's knowledge of the future polygamy Satan the view of women and application of the Old Testament law He addresses each topic in a practical accessible tone with pastoral insight and humor consistently focusing on the Scriptures The reader will find that there are not two different gods in the Bible and that the Old Testament is not an antique artifact that should now be jettisoned from Christianity The Old Testament and the God it depicts is One with the God and Father of our Lord Jesus Christ His actions when properly understood are not at variance with the New Testament rather a view of the beautiful unity in the Bible as a whole will strengthen the church's faith and aid in Christian witness and apologetics **The Jewish Encyclopedia: God-Isria** Isidore Singer, 1904 God: A Biography Jack Miles, 1996-03-19 WINNER OF THE PULITZER PRIZE What sort of person is God What is his life story Is it possible to approach him not as an object of religious reverence but as the protagonist of the world's greatest book as a character who possesses all the depths contradictions and ambiguities of a Hamlet This is the task that Jack Miles a former Jesuit trained in religious studies and Near Eastern languages accomplishes with such brilliance and originality in *God A Biography* Using the Hebrew Bible as his text Miles shows us a God who evolves through his relationship with man the image who in time becomes his rival Here is the Creator who nearly destroys his chief creation the bloodthirsty warrior and the protector of the downtrodden the lawless law giver the scourge and the penitent Profoundly learned stylishly written the resulting work illuminates God and man alike and returns us to the Bible with a sense of discovery and wonder *The Early History of God* Mark S. Smith, 2002-08-03 There is still much disagreement over the origins and development of Israelite religion Mark Smith sets himself the task of reconstructing the cult of Yahweh the most important deity in Israel's early religion and tracing the transformation of that deity into the sole god the development of monotheism
