

Yahweh and the Sun

**Biblical and Archaeological Evidence
for Sun Worship in Ancient Israel**

J. Glen Taylor

Yahweh And The Sun Yahweh And The Sun

Brian Neil Peterson

Yahweh And The Sun Yahweh And The Sun:

Yahweh and the Sun J. Glen Taylor, 1993-11-01 This challenging provocative book argues that there was in ancient Israel a considerable degree of overlap between the worship of the sun and of Yahweh even that Yahweh was worshipped as the sun in some contexts As an object created not by humankind but by God himself the sun as an object of veneration lay outside the bounds of the second commandment and was considered by many to be an appropriate icon of Yahweh of Hosts Through its investigation of solar Yahwism this book offers fresh insight into several passages e g Genesis 1 32 23 33 Joshua 10 12 14 1 Kings 8 12 Ezekiel 8 16 18 Psalms 19 104 and archaeological data regarding the orientations of Yawistic temples the lmlk jar handles horse figurines and the Taanach cult stand The book argues that the struggle between Yahweh and other deities in ancient Israel took place within the context of the development of Yahwism itself *Yahweh and the Sun* J. Glen Taylor, 1993-11-01 This challenging provocative book argues that there was in ancient Israel a considerable degree of overlap between the worship of the sun and of Yahweh even that Yahweh was worshipped as the sun in some contexts As an object created not by humankind but by God himself the sun as an object of veneration lay outside the bounds of the second commandment and was considered by many to be an appropriate icon of Yahweh of Hosts Through its investigation of solar Yahwism this book offers fresh insight into several passages e g Genesis 1 32 23 33 Joshua 10 12 14 1 Kings 8 12 Ezekiel 8 16 18 Psalms 19 104 and archaeological data regarding the orientations of Yawistic temples the lmlk jar handles horse figurines and the Taanach cult stand The book argues that the struggle between Yahweh and other deities in ancient Israel took place within the context of the development of Yahwism itself *The Early History of God* Mark S. Smith, 2002-08-03 There is still much disagreement over the origins and development of Israelite religion Mark Smith sets himself the task of reconstructing the cult of Yahweh the most important deity in Israel s early religion and tracing the transformation of that deity into the sole god the development of monotheism *Monotheism and Yahweh's Appropriation of Baal* James S. Anderson, 2015-08-27 Biblical scholarship today is divided between two mutually exclusive concepts of the emergence of monotheism an early monotheistic Yahwism paradigm and a native pantheon paradigm This study identifies five main stages on Israel s journey towards monotheism Rather than deciding whether Yahweh was originally a god of the Baal type or of the El type this work shuns origins and focuses instead on the first period for which there are abundant sources the Omride era Non biblical sources depict a significantly different situation from the Baalism the Elijah cycle ascribes to King Achab The novelty of the present study is to take this paradox seriously and identify the Omride dynasty as the first stage in the rise of Yahweh as the main god of Israel Why Jerusalem later painted the Omrides as anti Yahweh idolaters is then explained as the need to distance itself from the near by sanctuary of Bethel by assuming the Omride heritage without admitting its northern Israelite origins The contribution of the Priestly document and of Deutero Isaiah during the Persian era comprise the next phase before the strict Yahwism achieved in Daniel 7 completes the emergence of biblical Yahwism as a truly monotheistic

religion Hidden Critique of Solomon in the Hebrew Bible Pekka Särkiö, 2025-08-29 The period of Israel's united kingdom under King Solomon is portrayed in 1 Kings 3:11 as ideal in order to arouse hope for the restoration of Israelite kingship. Conversely, postexilic writers were faced with traditions that blamed the division of the united kingdom on Solomon's sins. Pekka Särkiö explores how the writers of the Hebrew Bible used scribal tools and creativity to weave these disparate perspectives together with a subtle hidden critique that stretches through the Torah, Prophets, and Writings. This in-depth study reveals the expressions, themes, and structures that evoke Solomon's foreign wives, his excessive wealth, his respect for other gods, his pride, and his elevation to a venerated character. The resulting texts allow the coexistence of hope for the future and the concerns of northern survivors who blamed Solomon for the exile and the divided kingdom. *The Bodies of God and the World of Ancient Israel* Benjamin D. Sommer, 2009-06-29 Sommer utilizes a recovered ancient perception of divinity as having more than one body, fluid and unbounded selves. Two Versions of the Solomon Narrative Percy van Keulen, 2005-02-01 This monograph deals with the problem of the text-historical relation between two versions of the Solomon Narrative: the Hebrew version preserved in the Masoretic Text of the book of Kings and the Greek version handed down in the Septuaginta of 3 Regum. Over the years, text critics have taken divergent approaches to this complex issue. This study reviews and evaluates their arguments. It does so on the basis of an independent analysis of the main differences between the two versions. The contents of this book are relevant for everyone interested in the composition and textual history of the book of Kings. *Essential Papers on Israel and the Ancient Near East* Frederick E. Greenspahn, 1991 **The Books of Haggai and Malachi** Mignon R. Jacobs, 2017-11-28 In this commentary on Haggai and Malachi, Mignon Jacobs offers clear and insightful interpretation of the text while highlighting themes that are especially relevant to contemporary concerns such as honoring or dishonoring God, the responsibilities of leaders, questioning God, and hearing the prophetic word in challenging times. Engaging with the latest scholarship, Jacobs provides a thorough introduction to both prophets in which she addresses questions of authorship, date, purpose, structure, and theology, followed by a new translation of the biblical text and a verse-by-verse commentary. With intertextual discussions about key aspects of the text and attention to competing perspectives, this commentary offers a rich new interpretation of Haggai and Malachi. *The Origins of Yahwism* Jürgen van Oorschot, Markus Witte, 2017-06-26 This compendium examines the origins of the God Yahweh, his place in the Syrian, Palestinian, and Northern Arabian pantheon during the bronze and iron ages, and the beginnings of the cultic veneration of Yahweh. Contributors analyze the epigraphic and archeological evidence, apply fundamental considerations from the cultural and religious sciences, and analyze the relevant Old Testament texts. **Yahweh and the Origins of Ancient Israel** Nissim Amzallag, 2023-06-01 In this book, Nissim Amzallag offers new perspectives on the birth of ancient Israel by combining recent archaeological discoveries with a new approach to ancient Yahwism. He investigates the renewal of the copper industry in the Early Iron Age Levant and its influence on the rise of new nations and also explores the recently

identified metallurgical context of ancient Yahwism in the Bible By merging these two branches of evidence Amzallag proposes that the roots of YHWH are found in a powerful deity who sponsored the emancipation movement that freed Israel from the Amorite Egyptian hegemony Amzallag identifies the early Israelite religion as an attempt to transform the esoteric traditions of Levantine metalworkers into the public worship of YHWH These unusual origins provide insight into many of the unique aspects of Israelite theology that ultimately spurred the evolution towards monotheism His volume also casts new light on the mysterious smelting god the figure around which many Bronze Age religions revolved

Theological Dictionary of the Old Testament G. Johannes Botterweck, Helmer Ringgren, Heinz-Josef Fabry, 1974 This multivolume work is still proving to be as fundamental to Old Testament studies as its companion set the Kittel Friedrich Theological Dictionary of the New Testament has been to New Testament studies Beginning with father and continuing through the alphabet the TDOT volumes present in depth discussions of the key Hebrew and Aramaic words in the Old Testament Leading scholars of various religious traditions including Roman Catholic Lutheran Reformed Anglican Greek Orthodox and Jewish and from many parts of the world Denmark France Germany Great Britain Greece Israel Italy the Netherlands Norway Sweden Switzerland and the United States have been carefully selected for each article by editors Botterweck Ringgren and Fabry and their consultants George W Anderson Henri Cazelles David Noel Freedman Shemaryahu Talmon and Gerhard Wallis The intention of the writers is to concentrate on meaning starting from the more general everyday senses and building to an understanding of theologically significant concepts To avoid artificially restricting the focus of the articles TDOT considers under each keyword the larger groups of words that are related linguistically or semantically The lexical work includes detailed surveys of a word's occurrences not only in biblical material but also in other ancient Near Eastern writings Sumerian Akkadian Egyptian Ethiopic Ugaritic and Northwest Semitic sources are surveyed among others as well as the Qumran texts and the Septuagint and in cultures where no cognate word exists the authors often consider cognate ideas TDOT's emphasis though is on Hebrew terminology and on biblical usage The contributors employ philology as well as form critical and traditional historical methods with the aim of understanding the religious statements in the Old Testament Extensive bibliographical information adds to the value of this reference work This English edition attempts to serve the needs of Old Testament students without the linguistic background of more advanced scholars it does so however without sacrificing the needs of the latter Ancient scripts Hebrew Greek etc are regularly transliterated in a readable way and meanings of foreign words are given in many cases where the meanings might be obvious to advanced scholars Where the Hebrew text versification differs from that of English Bibles the English verse appears in parentheses Such features will help all earnest students of the Bible to avail themselves of the manifold theological insights contained in this monumental work

The Encounter with the Divine in Mesopotamia and Israel H. W. F. Saggs, 2016-10-06 While most of its contemporary religions have faded away Israelite religion continues to have a major influence in the world First delivered in 1975 as a Jordan Lecture in Comparative

Religion this volume argues that in its beginnings Israelite religion had much in common with ancient Mesopotamian religion and suggests that its endurance is due to its dynamic development of the concepts it shared with other religions *The Troubles of Templeless Judah* Jill Middlemas, 2005-10-13 The time of the Babylonian captivity is of seminal importance for the formation of the Hebrew Bible as well as for the religious development of Judaism Jill Middlemas challenges conventional notions surrounding this period arguing that too much importance has been placed on the perspective of the Golah community **Ezekiel in Context** Brian Neil Peterson, 2012-05-03 One of the most perplexing and misunderstood books of the Bible Ezekiel has left many scholars and exegetes scratching their heads regarding its message coherency and interpretation Brian Peterson's look at the book of Ezekiel as a unified whole set within an exilic context helps explain some of the more difficult symbolic aspects in the book and makes Ezekiel as a whole more intelligible Drawing on ancient Near Eastern concepts and motifs such as covenant and treaty curses the various gods that made up the Babylonian pantheon and the position that Israel held as the people of Yahweh Peterson enlightens readers by showing that Ezekiel can only be understood in its original context By placing the book first in its historical context Peterson demonstrates how the original hearers of its message would have understood it and how this message can be appreciated and applied by people today as well *The Books of Joel, Obadiah, and Jonah* James D. Nogalski, 2023-05-31 Where is the line between God's mercy and judgment In the latest volume of the New International Commentary on the Old Testament James D Nogalski offers a new translation of and commentary on several of the Minor Prophets the Books of Joel Obadiah and Jonah that grapple with this theme in radically different ways This volume includes a robust introduction for each book delineating its textual transmission historical context literary form and major themes The introduction also discusses the role of each book within the collection of the Twelve Minor Prophets The commentaries proper explain the texts verse by verse illuminating each book's structure and canonical significance yet always with an eye toward pastoral application Academically rigorous and accessibly written *The Books of Joel Obadiah and Jonah* is an invaluable resource for scholars students and pastors

Biblical Ambiguities David H. Aaron, 2001-03-12 *Biblical Ambiguities* poses as its central question When we read a passage in the Hebrew Bible how do we know whether the passage was meant literally or metaphorically This study argues that our assumptions as to how language works influences the way we interpret biblical texts Drawing upon contemporary linguistic theory Aaron seeks to place before the reader a strategy for deciphering biblical idioms within a theory of semantics using divine imagery in the Hebrew Bible as the primary focal point This book presents a gradient model of meaning based on Relevance Theory and the writings of Ray Jackendoff While numerous biblical passages are considered in detail the main test case for Aaron's approach to meaning and metaphor is the Israelite attitude toward idols Although biblical ideology is usually portrayed as contrasting a literalist idolatry with a more sophisticated Israelite theology Aaron argues that policies regarding icons had less to do with theology than the politics of governance and language Part of that

critique regards common scholarly assumptions about the literal or metaphorical character of divine imagery and idols The metaphorization or the literalization of biblical images has served as a reading strategy since ancient times and often persists in scholarly discourse today Perhaps as important as Aaron's suggestion of an alternative approach to the problem of distinguishing metaphorical from literal language is that his argument raises our consciousness of how we go about interpretive acts when writing the history of Israelite theology **YHWH's Diversity** Angelika Berlejung ,2025-06-17

The Mother of the Lord Margaret Barker,2012-09-27 Are there Old Testament roots of the veneration of the Blessed Virgin Mary Margaret Barker traces the roots of the devotion to Mary as Mother of the Lord back to the Old Testament and the first temple in Jerusalem The evidence is consistent over more than a millennium there had been a female deity in Israel the Mother figure in the Royal cult who had been abandoned about 600BCE She was almost written out of the Hebrew text almost excluded from the canon This first of two volumes traces the history of the Lady in the Temple and looks forward to the second volume in which Barker will show how the Lady of the Temple is reclaimed in the advent of Christianity and becomes the Lady in the Church The result is breathtaking and like all Barker's work is impossible to put down **Did Moses Exist?** D. M. Murdock,Acharya S,2014 The biblical figure of Moses has been the center of fascination for over 2 000 years but what do we actually know about him Was he a real person Did the Exodus truly happen Or is the story in the Pentateuch a mythical account written centuries after the alleged events Why does Moses's story resemble that of other older lawgivers and legendary predecessors Why are there so many elements of sun and wine god myths in the tale of Moses What does the focus on the serpent in his story signify Who were Yahweh and the Elohim Did Moses Exist includes Maps and 126 illustrations Extensive bibliography table of contents and index Hundreds of footnotes and citations from primary sources in multiple languages Best modern scholarship from credentialed authorities Did Moses Exist provides a massive amount of information from antiquity about the world's religious traditions and mythology including how solar myths wine cultivation and fertility cults have shaped the Bible and Judaism This book may be the most comprehensive study to date using the best scholarship and state of the art research methods The existence of Moses as well as the veracity of the Exodus story is disputed amongst archaeologists and Egyptologists with experts in the field of biblical criticism citing logical inconsistencies new archaeological evidence historical evidence and related origin myths in Canaanite culture Moses Wikipedia There is no historical evidence outside of the Bible no mention of Moses outside the Bible and no independent confirmation that Moses ever existed Dr Michael D Coogan lecturer on the Old Testament at Harvard Divinity School We cannot be sure that Moses ever lived because there are no traces of his earthly existence outside of tradition Egyptologist Dr Jan Assmann Moses the Egyptian The life of Moses contains elements canonical and apocryphal that mark him as a true mythic hero and certainly he is Judaism's greatest hero and the central figure in Hebrew mythology Dr David Leeming The Oxford Companion to World Mythology the stories of the creation of the flood of Abraham of Jacob of the descent into and the

exodus from Egypt of the career of Moses and the Jews in the desert of Joshua and his soldiers of the judges and their clients are all apocryphal and were fabricated at a late period of Jewish history Dr Thomas Inman Ancient Faiths and Modern Table of Contents List of Illustrations Preface Introduction Who Wrote the Pentateuch Was Moses an Egyptian Pharaoh or Priest The Exodus as History The Exodus in Ancient Literature Hyksos and Lepers Who Were the Israelites The Exodus as Myth The Lawgiver Archetype The Dionysus Connection The Life of Dionysus The Vine and Wine The Great God Sun Yahweh and the Sun Moses as Solar Hero Conclusion Bibliography Index

If you ally infatuation such a referred **Yahweh And The Sun Yahweh And The Sun** books that will pay for you worth, acquire the totally best seller from us currently from several preferred authors. If you desire to hilarious books, lots of novels, tale, jokes, and more fictions collections are furthermore launched, from best seller to one of the most current released.

You may not be perplexed to enjoy every book collections Yahweh And The Sun Yahweh And The Sun that we will definitely offer. It is not with reference to the costs. Its nearly what you infatuation currently. This Yahweh And The Sun Yahweh And The Sun, as one of the most operating sellers here will utterly be in the midst of the best options to review.
