[The Preacher's Guide to Suicide](#) H. C. Johnson, 2022-03-18 This book makes the startling claim that the pulpit is the appropriate place to address suicide In *A Preacher's Guide to Suicide* Johnson chisels through the rusty prison bars of cultural pretense and the oppressive myths of suicide Using history the social and behavioral sciences and biblical inquiry over the centuries of varied Christian voices Johnson demonstrates that suicide is part of the very fabric of Christian identity And to preach suicide awareness is to preach life into the very act of dying While grappling with the contemporary understanding of neuroscience psychopathology societal values and individualism Johnson seeks to present suicide in a hopeful light as we all approach death in those daily moments of confession forgiveness and prayer Johnson hopes to provoke further conversation within the Christian community about the richness of suicide within the Scriptures and seeks to be a source of inspiration for preachers **The Apostles' Creed - Leader Kit** Matt Chandler, 2017-04 Take your group through an in depth examination of the primary tenets of Christianity The Apostles Creed was born from the apostles teachings It contains essential doctrines and beliefs that summarize the gospel and the foundation of our faith The scriptural truths contained in the creed enable us to build our Christian lives on good theology with the knowledge that our faith is rooted in truth and a rich history The lines of the creed aren't mere words They are the essence of what we confess and believe Repeating the creed doesn't make disciples Incantations don't transform us into better more effective Christians Creeds don't hold any authority apart from Scripture but they do point outside themselves to the authoritative Word of God The Apostles Creed was traditionally used as a public confession before baptism This confession of faith given as a recitation of the creed was understood as an act of turning away from previous pagan beliefs and fully accepting apostolic teaching This profession identified new believers with the community of Christians This group study from Matt Chandler and The Village Church leads to greater clarity of our religion greater symmetry and balance as a disciple and a more profound sense of belonging in the kingdom of God The Apostles Creed Leader Kit includes a Bible Study Book and four DVDs with a promotional video and 12

A Thematic Access-Oriented Bibliography of Jesus's Resurrection

Michael J. Alter, 2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus's Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e.g. Christian Jewish Muslim etc. agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease
