Rowland Thirlmere

When Invisible Children Sing:

When Invisible Children Sing Chi Cheng Huang, 2013-02-01 Expecting to treat some mildly ill children from the streets of Bolivia on a quick service trip an idealistic young medical student gets more than he bargained for when he takes a year off from Harvard Medical School to work at an orphanage in La Paz As he comes to know the children and sees how they live Chi Huang is drawn deeper and deeper into their complex and desperate lives The doctor soon realizes that to truly help these children he will have to follow the example of Jesus live among them love them in spite of their brokenness and cling to his faith in God s goodness even when it appears it is nowhere to be found A true story that will inspire and challenge readers to greater faith and action

The Cape Town Commitment: A Call to Action LAUSANNE MOVEMENT, 2022-05-03 The Cape Town Commitment is the main document that resulted from the 3rd Lausanne Congress in 2010 and outlines the role of the church for evangelicals today This Cape Town Commitment curriculum gives churches individuals and small groups the opportunity to study this document together and learn how to better love the gospel the church and the world in a group setting An adaptable curriculum that can be used in a variety of settings such as through Bible studies and Sunday school home groups and campus fellowships this multimedia study leads participants through 12 sessions which include prompts for meditation discussion and prayer all in order to develop a greater love for God neighbors and creation Sessions include video clips from the 2010 Congress vital testimonials from key Christian leaders in strategic ministries targeted spiritual practices that correlate with the topic or issue addressed and resource links for next step engagement in the call to action

Invisible Children James Pye, 1989 This account of the state of secondary schooling in Britain is concerned primarily with the plight of anonymous pupils who offer neither challenge nor difficulty to their teachers and therefore pass through their schooling largely unnoticed

The Invisible Children Gitta Sereny, 1985 The invisible world of child prostitution in America England and West Germany is fully explored here for the first time Gitta Sereny s profoundly disturbing book is the result of two years of intensive interviews and research during which she met with spoke with and got to know child prostitutes here and abroad as well as their parents their pimps their lovers and the teachers psychologists and police who are struggling to help Writing with a strong commitment to the lives of these children she gives us in detail the stories of ten girls and two boys All of them are runaways for whom it was actually or emotionally impossible to return to home and family and for whom the only alternative seemed to be to join the life of prostitution Interwoven with the author s narrative and observations are the voices of the children themselves who speak with feeling and candor about the homes they fled and about the life they live now on the street They discuss their pimps their tricks the ways they were initiated into prostitution They express their feelings about sex and about the future they see for themselves Sereny makes us understand the horrifying reality of what is happening to children like these by the thousands why it is happening and why walking the city streets they have nevertheless remained invisible From publisher description
