When Men Were Men When Men Were Men

Mary A. Renda

When Men Were Men When Men Were Men:

When Men Were Men Lin Foxhall, John Salmon, 2013-04-15 *When Men Were Men* questions the deep set assumption that men's history speaks and has always spoken for all of us by exploring the history of classical antiquity as an explicitly masculine story With a preface by Sarah Pomeroy this study employs different methodologies and focuses on a broad range of source materials periods and places

The Quartermaster Corps Erna Risch, 1995 *The Quartermaster Corps* United States. Army. Quartermaster Corps, 1955 A two volume account of the activities of the Corps in the zone of interior and efforts to maximize stockage through conservation reclamation and salvage

Qualitative Research Methods Monique Hennink, Inge Hutter, Ajay Bailey, 2010-11-30 Lecturers click here to request an e inspection copy of this text Qualitative Research Methods is based on the authors highly successful multidisciplinary qualitative methods workshops which have been conducted for over a decade In this book the authors propose a qualitative research cycle that leads students through the selection of appropriate methods the collection of data and the transformation of findings into a finished project It provides a clear explanation of the nature of qualitative research and its key concepts Topics covered include o formulating qualitative research questions o ethical issues o in depth interviews o focus group discussions o observation o coding o data analysis o writing up qualitative research This text is ideal for any students taking a qualitative methods course or producing a qualitative research project at undergraduate or graduate level It is illustrated throughout with case studies and field examples from a range of international contexts The practical techniques are also accompanied by the author's own research tools including interview guides real coded data and comprehensive research checklists

Shrinking Violets and Caspar Milquetoasts Patricia McDaniel, 2003-11 Since World War II Americans attitudes towards shyness have changed The women's movement and the sexual revolution raised questions about communication self expression intimacy and personality leading to new concerns about shyness At the same time the growth of psychotherapy and the mental health industry brought shyness to the attention of professionals who began to regard it as an illness in need of a cure But what is shyness How is it related to gender race and class identities And what does its stigmatization say about our culture In *Shrinking Violets and Caspar Milquetoasts* Patricia McDaniel tells the story of shyness Using popular self help books and magazine articles she shows how prevailing attitudes toward shyness frequently work to disempower women She draws on evidence as diverse as 1950s views of shyness as a womanly virtue to contemporary views of shyness as a barrier to intimacy to highlight how cultural standards governing shyness reproduce and maintain power differences between and among women and men

Manhood and the Making of the Military Dr Anders Ahlbäck, 2014-10-28 The creation of Finland's national conscription army in the wake of its independence from Russia in 1917 aroused intense but conflicting emotions This book examines the struggles of a new army to find popular acceptance and support and explores the ways that images of manhood were used in the controversies Ahlbäck places the situation of interwar Finland within a broad European context to reveal the

conflicts surrounding compulsory military service and the impact of the Great War on masculinities and constructions of gender

Taking Haiti Mary A. Renda, 2004-07-21 The U S invasion of Haiti in July 1915 marked the start of a military occupation that lasted for nineteen years and fed an American fascination with Haiti that flourished even longer Exploring the cultural dimensions of U S contact with Haiti during the occupation and its aftermath Mary Renda shows that what Americans thought and wrote about Haiti during those years contributed in crucial and unexpected ways to an emerging culture of U S imperialism At the heart of this emerging culture Renda argues was American paternalism which saw Haitians as wards of the United States She explores the ways in which diverse Americans including activists intellectuals artists missionaries marines and politicians responded to paternalist constructs shaping new versions of American culture along the way Her analysis draws on a rich record of U S discourses on Haiti including the writings of policymakers the diaries letters songs and memoirs of marines stationed in Haiti and literary works by such writers as Eugene O'Neill James Weldon Johnson Langston Hughes and Zora Neale Hurston Pathbreaking and provocative *Taking Haiti* illuminates the complex interplay between culture and acts of violence in the making of the American empire

Tortured Subjects Lisa

Silverman, 2001-05-15 At one time in Europe there was a point to pain physical suffering could be a path to redemption This religious notion suggested that truth was lodged in the body and could be achieved through torture In *Tortured Subjects* Lisa Silverman tells the haunting story of how this idea became a fixed part of the French legal system during the early modern period Looking closely at the theory and practice of judicial torture in France from 1600 to 1788 the year in which it was formally abolished Silverman revisits dossiers compiled in criminal cases including transcripts of interrogations conducted under torture as well as the writings of physicians and surgeons concerned with the problem of pain records of religious confraternities diaries and letters of witnesses to public executions and the writings of torture's abolitionists and apologists She contends that torture was at the center of an epistemological crisis that forced French jurists and intellectuals to reconsider the relationship between coercion and sincerity or between free will and evidence As the philosophical consensus on which torture rested broke down and definitions of truth and pain shifted so too did the foundation of torture until by the eighteenth century it became an indefensible practice

Hearings Before the Committee on Commerce, United States Senate, 65th Congress, 2d Session on S. Res 170

United States Shipping Board Emergency Fleet Corporation, 1918

Culture and Diversity in the United States Jack David Eller, 2015-05-15 Knowledge of and sensitivity toward diversity is an essential skill in the contemporary United States and the wider world This book addresses the standard topics of race ethnicity class and gender but goes much further by engaging seriously with issues of language religion age health and disability and region and geography It also considers the intersections between and the diversities within these categories Eller presents students with an unprecedented combination of history conceptual analysis discussion of academic literature and up to date statistics The book includes a range of illustrations figures and tables text boxes a glossary of key terms and a

comprehensive bibliography Additional resources are provided via a companion website Chapter 3 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license

When Brooklyn Was Queer Hugh Ryan, 2024-06-04 A boisterous motley new history an entertaining and insightful chronicle enhanced by original research The New York Times Book Review Hugh Ryan's *When Brooklyn Was Queer* is a groundbreaking exploration of the LGBT history of Brooklyn from the early days of Walt Whitman in the 1850s up through the queer women who worked at the Brooklyn Navy Yard during World War II and beyond No other book movie or exhibition has ever told this sweeping story Not only has Brooklyn always lived in the shadow of queer Manhattan neighborhoods like Greenwich Village and Harlem but there has also been a systematic erasure of its queer history a great forgetting Ryan is here to unearth that history for the first time In intimate evocative moving prose he discusses in new light the fundamental questions of what history is who tells it and how we can only make sense of ourselves through its retelling and shows how the formation of the Brooklyn we know today is inextricably linked to the stories of the incredible people who created its diverse neighborhoods and cultures Through them *When Brooklyn Was Queer* brings Brooklyn's queer past to life and claims its place as a modern classic A romantic exquisite history of gay culture Kirkus Reviews starred review A chronicle for the ages Harper's Bazaar A funny tender and disturbing history of LGBTQ life The Guardian This evocative and nostalgic love song to the borough and its flamboyant past offers a valuable broadening of historical perspective Publishers Weekly A compelling essential read Shelf Awareness Tender compelling fascinating Alexander Chee award winning author of *The Queen of the Night*

The Lakota Ghost Dance of 1890 Rani-Henrik Andersson, 2008-11-01 A broad range of perspectives from Natives and non Natives makes this book the most complete account and analysis of the Lakota ghost dance ever published A revitalization movement that swept across Native communities of the West in the late 1880s the ghost dance took firm hold among the Lakotas perplexed and alarmed government agents sparked the intervention of the U.S. Army and culminated in the massacre of hundreds of Lakota men women and children at Wounded Knee in December 1890 Although the Lakota ghost dance has been the subject of much previous historical study the views of Lakota participants have not been fully explored in part because they have been available only in the Lakota language Moreover emphasis has been placed on the event as a shared historical incident rather than as a dynamic meeting ground of multiple groups with differing perspectives In *The Lakota Ghost Dance of 1890* Rani Henrik Andersson uses for the first time some accounts translated from Lakota This book presents these Indian accounts together with the views and observations of Indian agents the U.S. Army missionaries the mainstream press and Congress This comprehensive complex and compelling study not only collects these diverse viewpoints but also explores and analyzes the political cultural and economic linkages among them

Summary Health Statistics for U.S. Adults, 2011 *Violence, Gender and Justice* Maggie Wykes, Kirsty Welsh, 2008-12-19 This is a very impressive piece of thorough scholarship It is an

important book that highlights the need to consider gender when developing policies to respond to interpersonal violence It is written in a clear and accessible style and should be required reading for all criminal justice students Dr Malcolm Cowburn Sheffield Hallam University This comprehensive text provides an overview of the relationship between violence gender crime and justice It brings together theory with contemporary cases to enable the reader to understand the key concepts issues and connections involved Enlightening and accessible the book examines the experiences and treatment of men and women as victims and criminals It explores whether and how offending patterns differ according to gender and investigates the connections between gender offending and victimisation The book covers different types of inter personal violence including sexual violence domestic violence domestic murder male on male violence and child abuse It explores how sexual and domestic violence have been represented in the media in the law and in criminal justice processes Not only does the book present a comprehensive introduction to the field it also offers reflective questions at the end of each chapter to enable the reader to integrate and interrogate the material covered Chapter summaries and annotated bibliographies enhance the learning process by helping students to consolidate and further investigate key points This book is essential for students and academics in criminology criminal justice sociology and gender studies *Witches of the North* Liv Helene

Willumsen,2013-06-13 *Witches of the North* Scotland and Finnmark is a comparative study of witchcraft persecution in Scotland and Finnmark Norway A wide range of quantitative and qualitative analyses based mainly on legal documents shed light on the witch hunts in the two regions during the seventeenth century Statistical analyses give information about tendencies in the source material in total The qualitative chapters contain close readings of trial documents wherein the various voices heard during a trial are analysed the voice of the scribe the voice of the law the voice of the accused person and the voices of the witnesses The analyses combined provide a broad view of the historical phenomenon in question as well as in depth studies of individual witchcraft cases **Violations of Free Speech and Rights of Labor** United States.

Congress. Senate. Committee on Education and Labor,1936 *'This Rash Act'* Victor Bailey,1998 What made some 700 men and women in the Yorkshire town of Kingston upon Hull in the years 1837 to 1900 take their lives This book attempts to answer this question and also to study how suicide was understood by victims families and friends how the causes of suicide changed over time and what coroners inquests can tell us about Victorian life beliefs and values in general **House**

Documents, Otherwise Publ. as Executive Documents United States. Congress. House,1868 *Women Music Educators in the United States* Sondra Wieland Howe,2013-11-07 Although women have been teaching and performing music for centuries their stories are often missing from traditional accounts of the history of music education In *Women Music Educators in the United States A History* Sondra Wieland Howe provides a comprehensive narrative of women teaching music in the United States from colonial days until the end of the twentieth century Defining music education broadly to include home community and institutional settings Howe draws on sources from musicology the history of education and

social history to offer a new perspective on the topic In colonial America women sang in church choirs and taught their children at home In the first half of the nineteenth century women published hymns taught in academies and rural schoolhouses and held church positions After the Civil War women taught piano and voice went to college taught in public schools and became involved in national music organizations With the expansion of public schools in the first half of the twentieth century women supervised public school music programs published textbooks and served as officers of national organizations They taught in settlement houses and teacher training institutions developed music appreciation programs and organized women s symphony orchestras After World War II women continued their involvement in public school choral and instrumental music developed new methodologies conducted research and published in academia Howe s study traces this evolution in the roles played by women educators in the American music education system illuminating an area of research that has been ignored far too long Women Music Educators in the United States A History complements current histories of music education and supports undergraduate and graduate courses in the history of music music education American education and women s studies It will interest not only musicologists educational historians and scholars of women s studies but music educators teaching in public and private schools and independent music teachers *A Concordance to All the Bookes of the Old Testament, According to the Translation Allowed by His Late Matie of Great Brittain, Etc. [By Clement Cotton.] ,1627*
