You is more than just the name of this book It is a reality that is available for every person to experience No matter the severity of your condition even as it looks now remember that Jesus Christ has already healed you Notice what His word says in 1 Peter 2 24 By whose stripes ye were healed It s a past tense it s a done deal Many say HIS time for my cure has not yet come We are actually insulting Jesus and His finished work for us as the work was already done over 2000 years ago It s already there in the spiritual realm We just got to reach out to it Sadly many have waited for years in despair for His time and gone in that condition not knowing they already had it but just not claimed it One of the most important things that every believer needs to know is how to receive divine healing that has already been provided for us from the Lord and how to live in good health Unfortunately because of our wrong religious upbringings many of us have been taught that God doesn t always heal either He puts sicknesses on us to teach us something or He gets glory out of our being sick or even that healing has passed away But according to the scriptures healing comes from God and sickness and disease comes from the devil God plainly shows us in His Word that He is the Great Physician and the devil is the afflicter Exodus 15 26 FOR I AM THE LORD THAT HEALETH THEE So healing is yours now Jesus Christ paid a great price to provide healing for you All you have to do is know out how to receive it This book is therefore to help introduce Jesus the Healer and enable you to claim the healing HE has already provided for Healing is the manifestation of God s love for you and me The Bible shows us that Jesus came as the perfect representation of God s heart towards mankind Everyone mentioned in the Bible who came to Jesus for healing were made well Healing is not something you get because you deserve it It s a free gift from God for all people God wants you healed and He wants you to have good health So just Fasten Your Seat Belt and Expect a Move of God as you read through the pages of this book claiming your healing that He has already provided
