Enlightenment U. G. Krishnamurti, 2022-01-04 People call me an enlightened man I detest that term they can t find any other word to describe the way I am functioning At the same time I point out that there is no such thing as enlightenment at all I say that because all my life I ve searched and wanted to be an enlightened man and I discovered that there is no such thing as enlightenment at all and so the question whether a particular person is enlightened or not doesn t arise I don t give a hoot for a sixth century BC Buddha let alone all the other claimants we have in our midst They are a bunch of exploiters thriving on the gullibility of the people There is no power outside of man Man has created God out of fear So the problem is fear and not God Factions, Friends and Feasts Jeremy Boissevain, 2013-03-01 Drawing on field research in Malta Sicily and among Italian emigrants in Canada this book explores the social influence of the Mediterranean climate and the legacy of

ethnic and religious conflict from the past five decades Case studies illustrate the complexity of daily life not only in the region but also in more remote academe by analysing the effects of fierce family loyalty emigration and the social consequences of factionalism patronage and the friends of friends networks that are widespread in the region Several chapters discuss the social and environmental impact of mass tourism how locals cope and the paradoxical increase in religious pageantry and public celebrations The discussions echo changes in the region and the related development of the author's own interests and engagement with prevailing issues through his career
